PLAYBOY'S NUDE CELEBRITIES

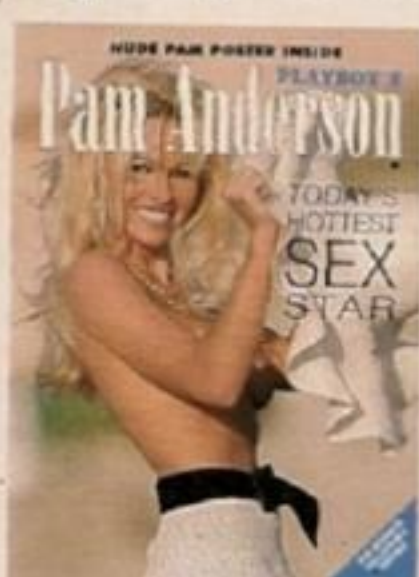

PLAYBOY PRESS

Our first offering of *Nude Celebrities* (July '95) featured *Baywatch* phenom Pam Anderson. In the hopes of duplicating the runaway success of that issue, we bring the world's number-one beach babe back—and double your pleasure by pairing her on our cover with *BW* buddy, Donna D'Errico. Once you catch your breath and dry off, you can dive back into this star-studded issue, starting off with the world's five (or is it six?) most-talked-about females, who we herewith dub Sex Goddesses. We make a return pilgrimage to worship

Pam, the Barbi Twins (is that one or two?), Jenny, Anna Nicole and Cindy—to behold their beauty and ask for their blessing. Hallelujah! Our section on entertainers offers a revealing glimpse of performers from TV, motion pictures, music and the Internet—with a side trip into the world of pro wrestling and men's clubs. We feature a group of lovely ladies who are as stimulating as they are talented. A new genre of self-help books has found its place onto the nightstands of America, and to celebrate the beauty and wisdom of these gifted sex gurus, we've put together a trio of Sexy Authors. If their heady advice

for lackluster performance doesn't get the desired results, a quick study of their physical charms may just do the trick. It's always fun to have one of our own make it into the headlines and, as the saying goes, it couldn't have happened to a nicer girl. As we went to press, the announcement was made that Camille Donatucci, *BOL* cover girl and Readers' Choice selection for 1996, will soon become Mrs. Kelsey Grammer. Congratulations *Frasier*, you're one lucky fella. We know it's a lot to ask, but we hope you'll continue to "share" your bride with us. Our Newsmakers section returns with a review of O.J. Simpson and his *PLAYBOY* connection. To wrap up this special issue, we tip our hat to a group of captivating beauties we lovingly call *Playboy's Own*. *Night Calls*, the most successful show on the *Playboy Channel*, is the not-so-private playpen of two of television's hottest hostesses, Doria and Julie. If you've never caught the show, this photo escapade should get you to demand a hookup from your local cable operator. We also give you another look at *BOL* favorites Patricia Ford and Lisa Boyle, as well as Playmate Shannon Tweed, who celebrates the release of her own *Playboy* celebrity video. In an age when fame can come and go faster than ripples in a pond, we take pride in all the *PLAYBOY* women who have ridden that wave to stardom. And we honor the others who have plunged unexpectedly into celebrity waters.

SEX GODDESSES

pam

ANDERSON

We like Pam because she takes matters into her own hands: First mesmerizing us with her refreshing good looks, then metamorphosing into a contemporary Bardot, making us sweat from the heat of our desire. More recently, Pam tread fearlessly onto the silver screen with star billing in her first feature, *Barb Wire*. The former *Baywatch* beauty, who has been snapped by more photographers than a camera case, makes headlines without even trying.

The Barbi Twins

Sia & Shane

Whoever coined the phrase "too much of a good thing" obviously was not acquainted with Shane and Sia Barbi. Catapulted into the public eye by their knockout *PLAYBOY* spreads, the tantalizing twosome (and their runaway calendar sales) prove there's value in seeing double.

jenny

MCCARTHY

Fame, it seems, singled out MTV darling Jenny, who won top honors as Playmate of the Year in 1994. After a wildly successful tour of duty on her hit TV show, *Singled Out*, Jenny's *Best Of ... Playboy* video made the Top 10 video sales list for 1996. She also made *TV Guide's* Top 10 list of performers, opened a Web site devoted to all things Jenny, issued three new posters, put out a CD of her favorite beach-bum tunes and has network execs begging to air her yet-to-be-developed sitcom. For the time being, demand for her many talents shows no signs of slowing down.

ANNANICOLESMITH

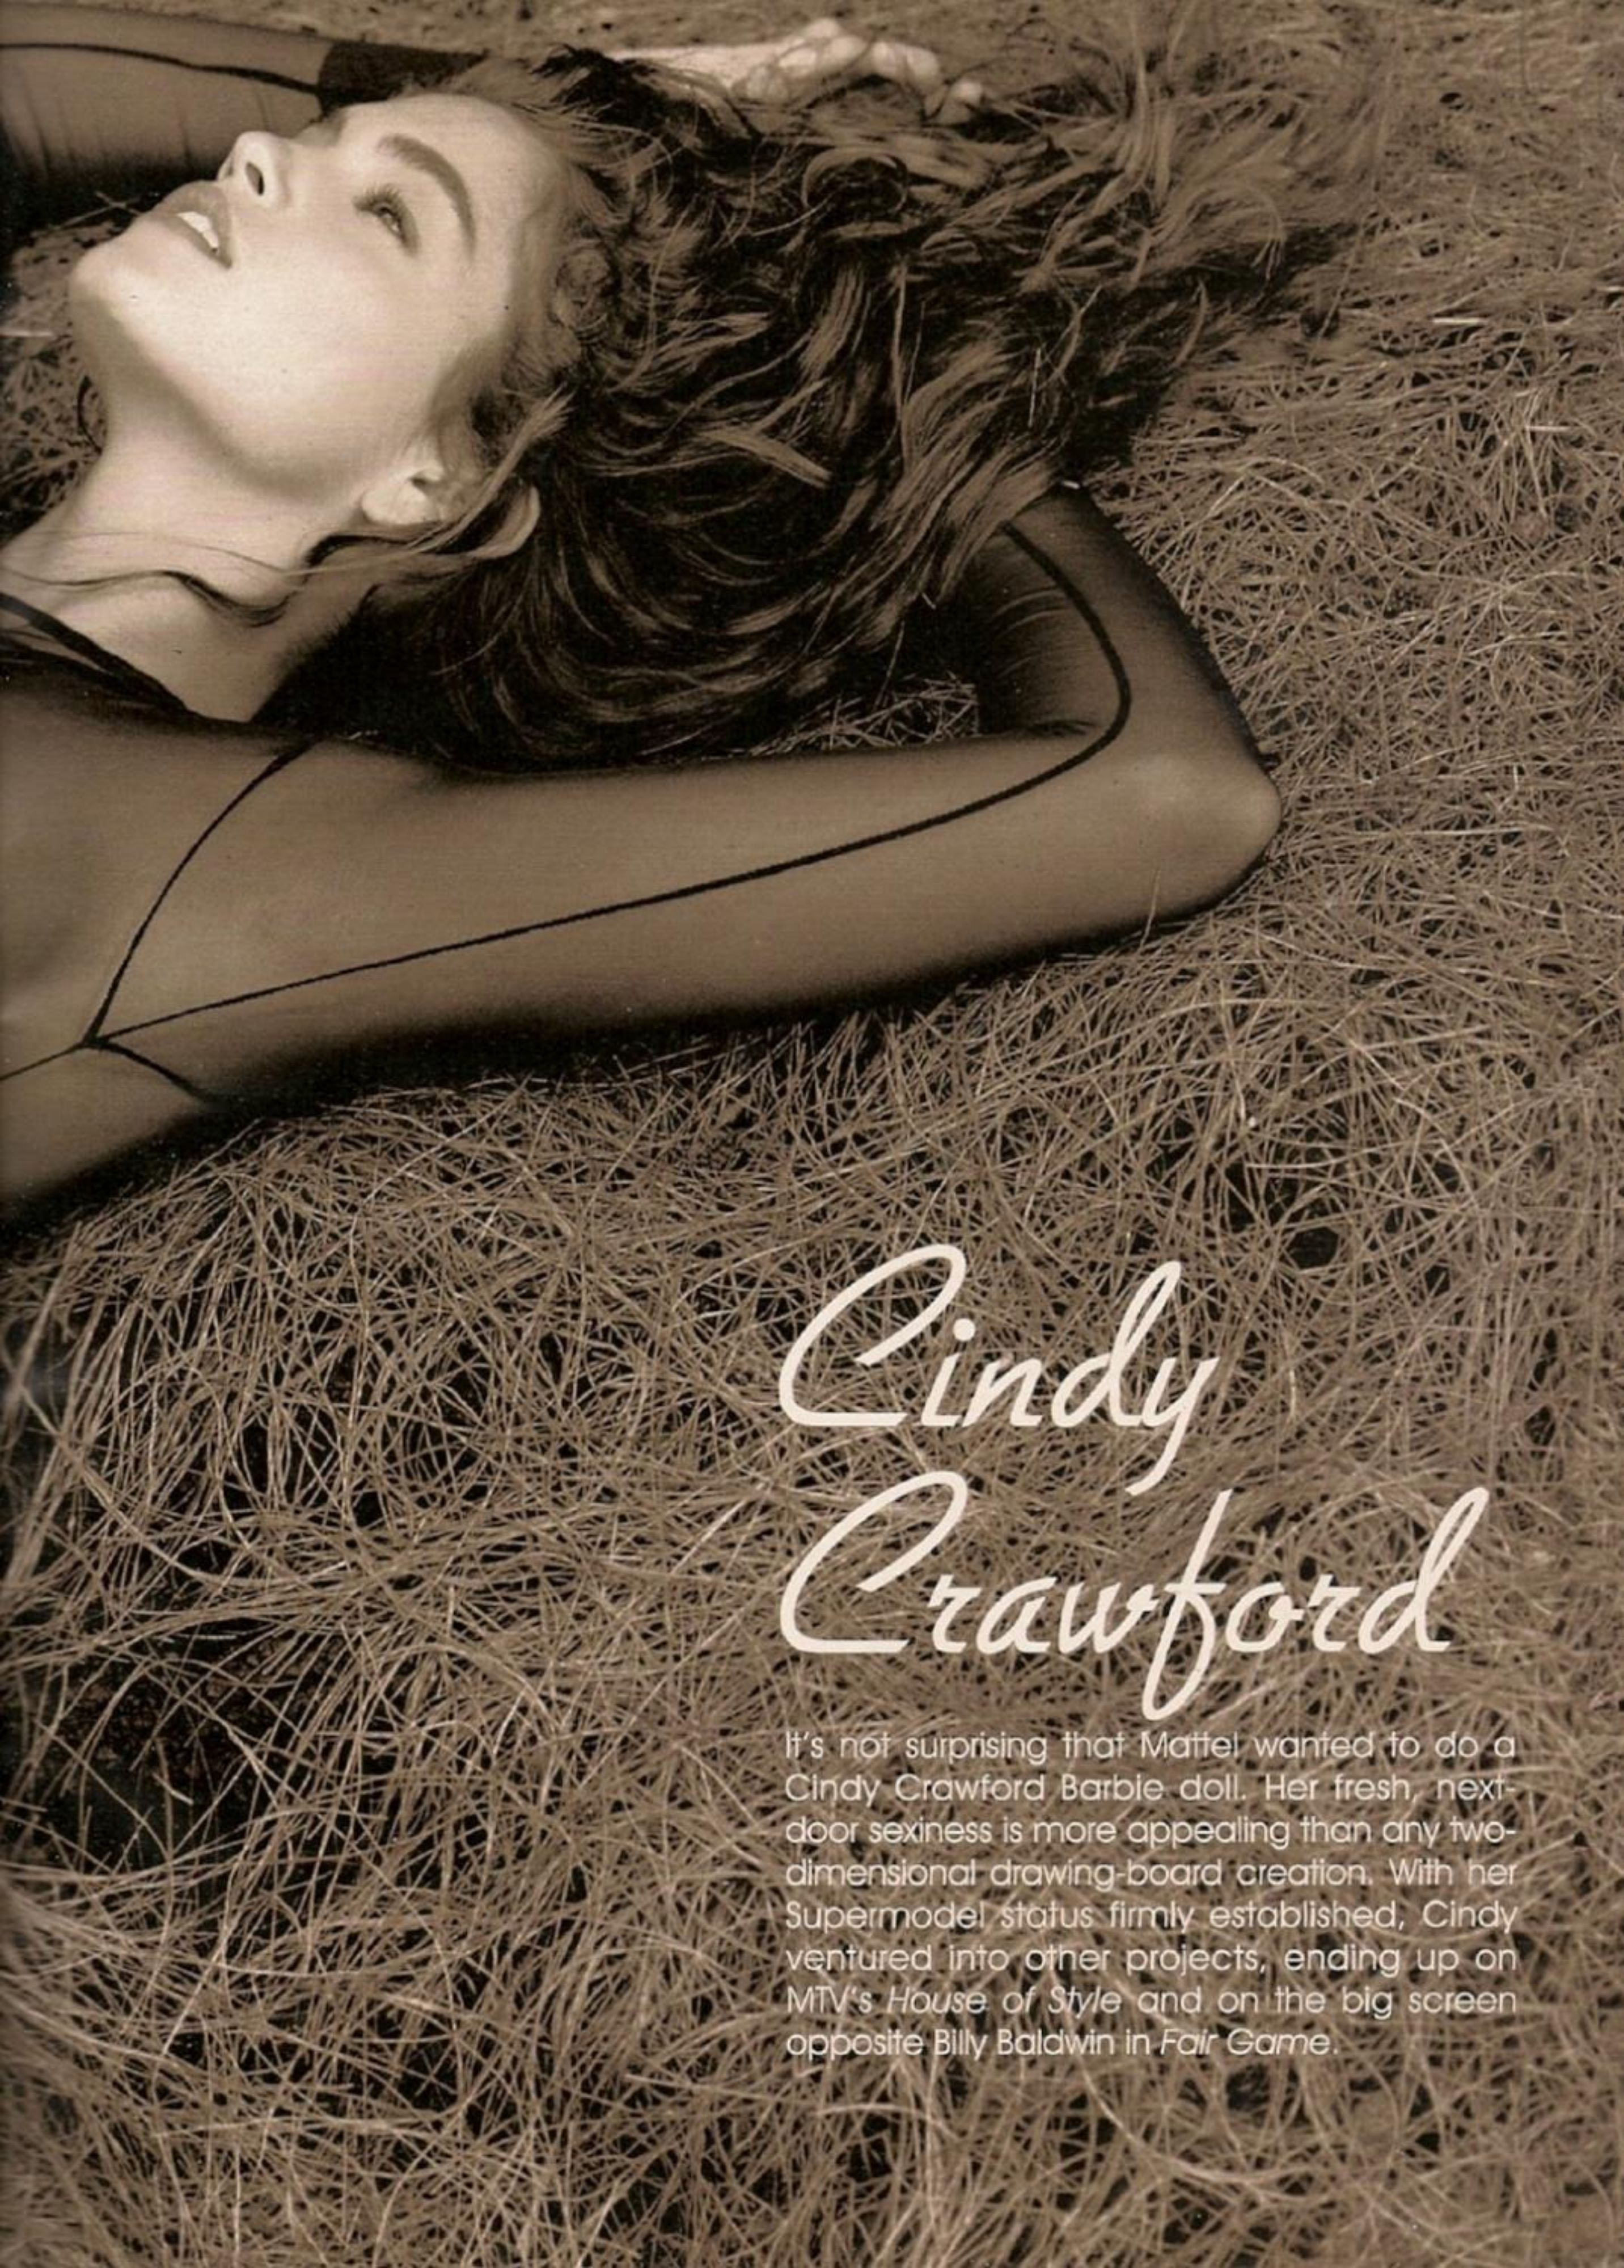

Is it any wonder that Anna Nicole Smith is featured as one of our Sex Goddesses? Anna's debut in *PLAYBOY* paved the way for the kind of meteoric rise every starlet hopes to claim. The Guess Girl-turned-celebrity has since appeared on screen with heavyweights Tim Robbins and Leslie Nielsen, and has hauled down numerous modeling jobs and guest appearances. This show-stopping blonde grandly bestowed her generous charms upon us mere mortals. Let us give thanks for enduring blessings.

Cindy Crawford

It's not surprising that Mattel wanted to do a Cindy Crawford Barbie doll. Her fresh, next-door sexiness is more appealing than any two-dimensional drawing-board creation. With her Supermodel status firmly established, Cindy ventured into other projects, ending up on MTV's *House of Style* and on the big screen opposite Billy Baldwin in *Fair Game*.

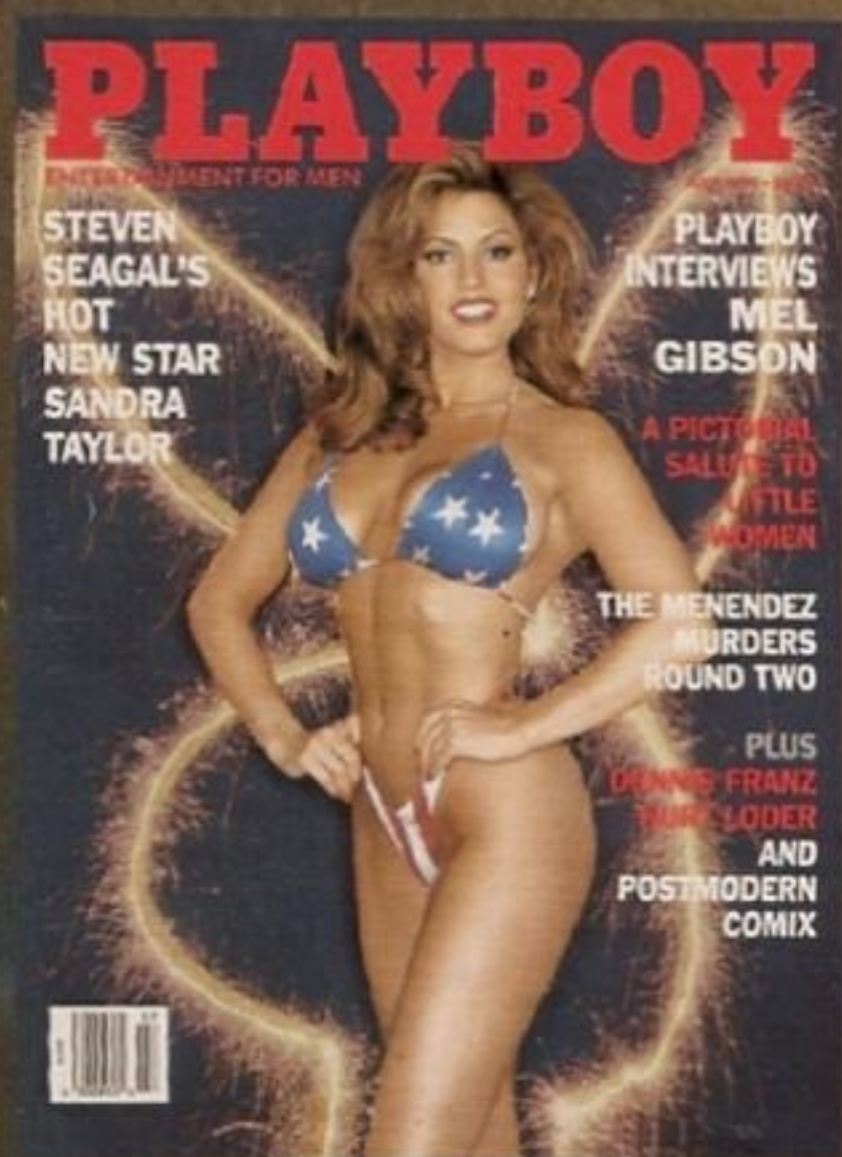

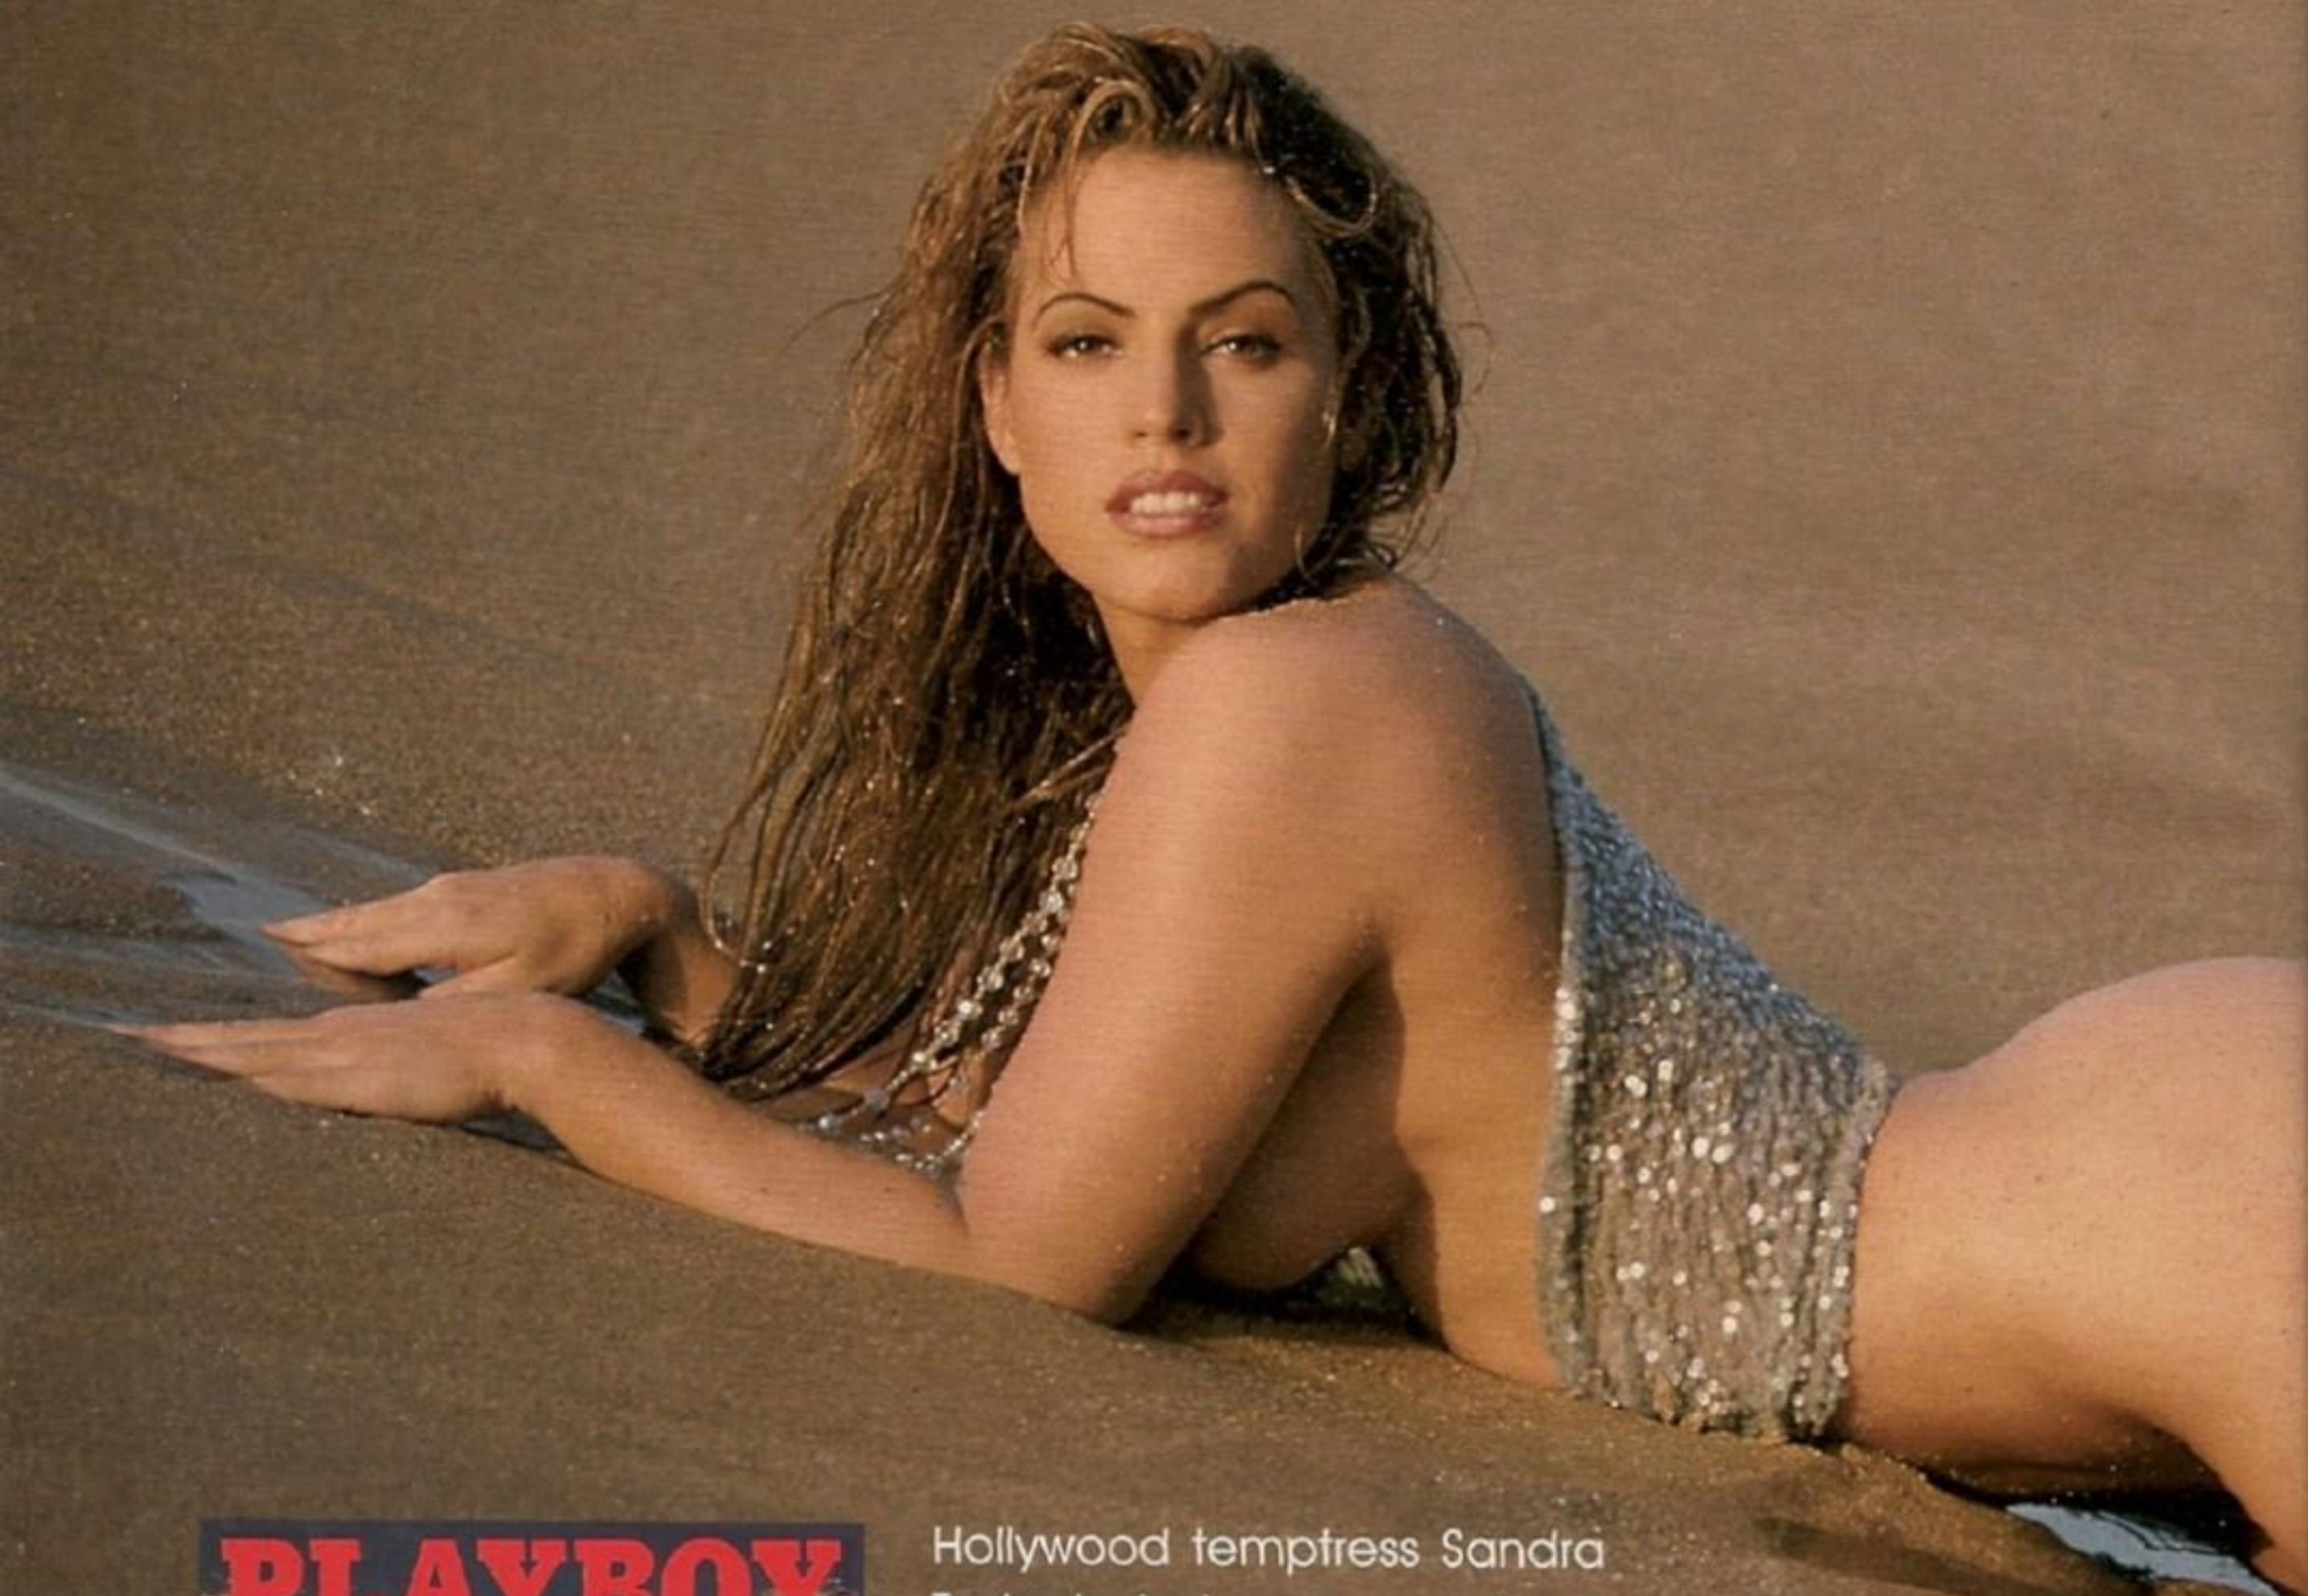

**SANDRA
TAYLOR**

ENTERTAINERS

Hollywood temptress Sandra Taylor tasted success early on with her sexy poster and pinup calendars. She then left a memorable impression with her appearances on MTV and in a Def Jam music video. From there it was feature film roles in the bondage comedy *Exit to Eden* and then opposite action star Steven Segal in *Under Siege*. Guess you could call this career steamroller a plan that's Taylor made.

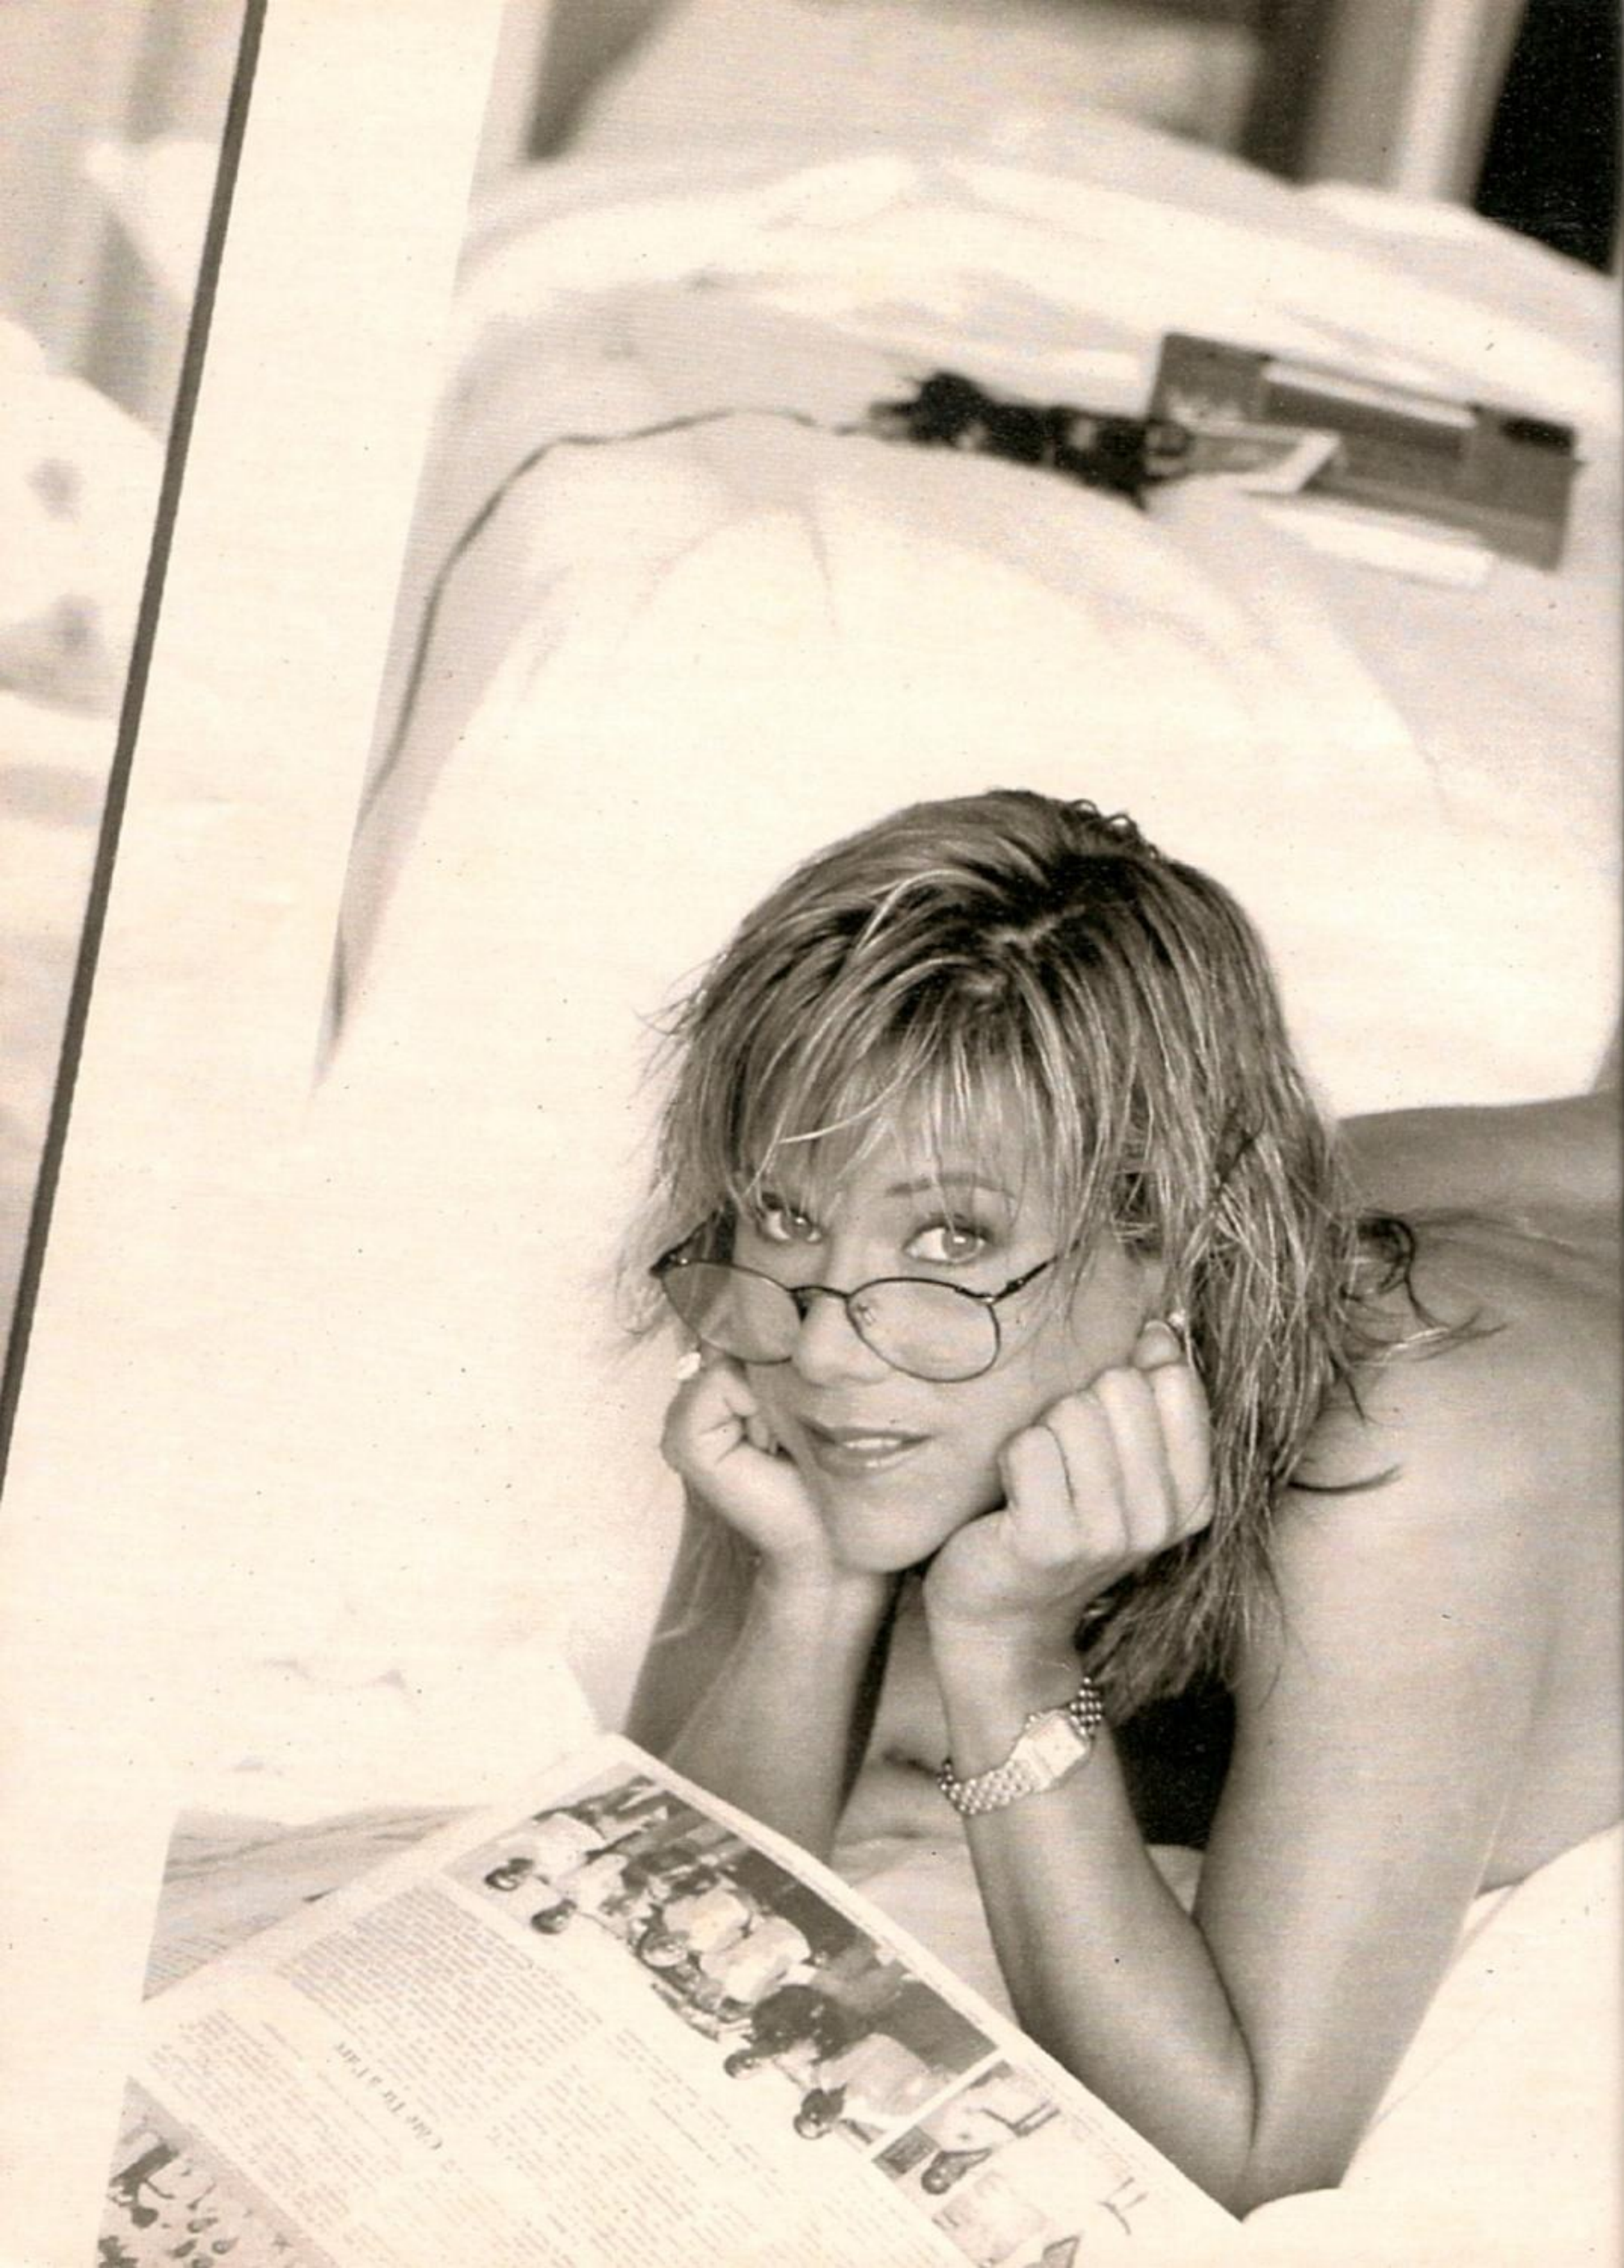

SAMANTHA FOX

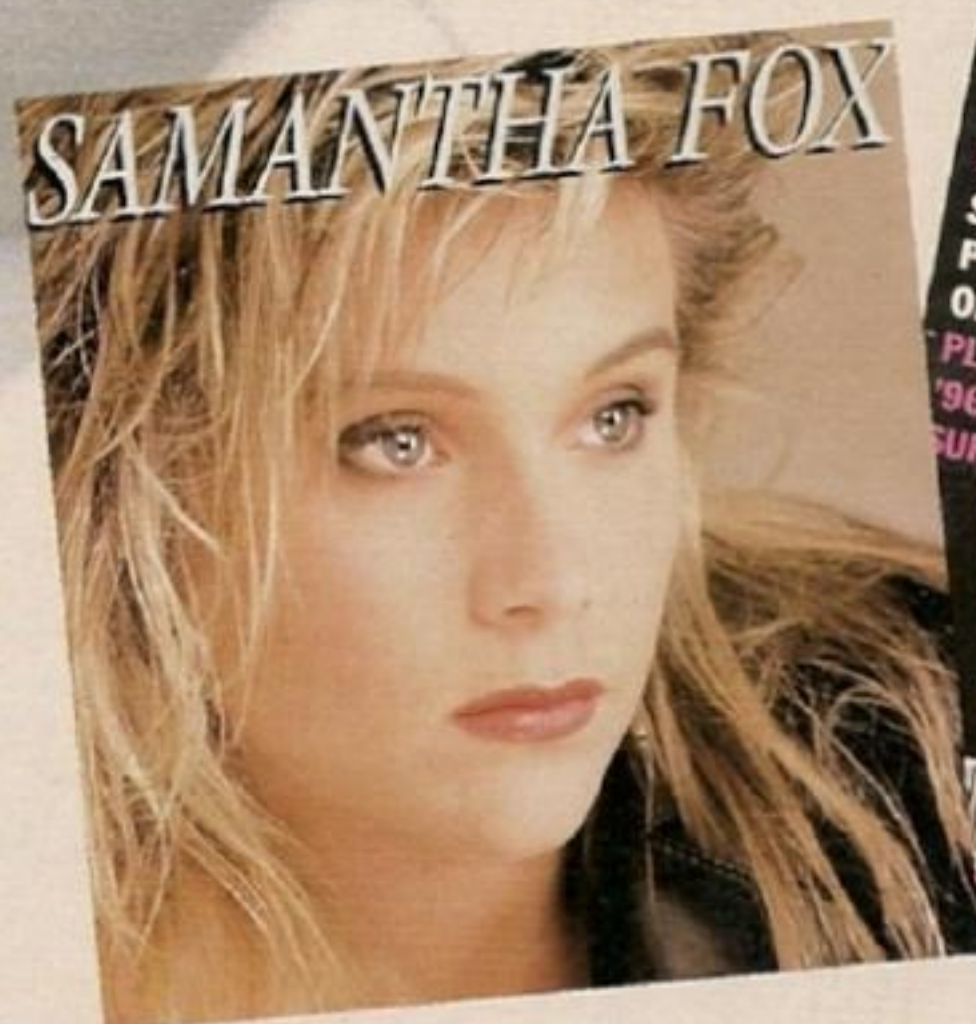

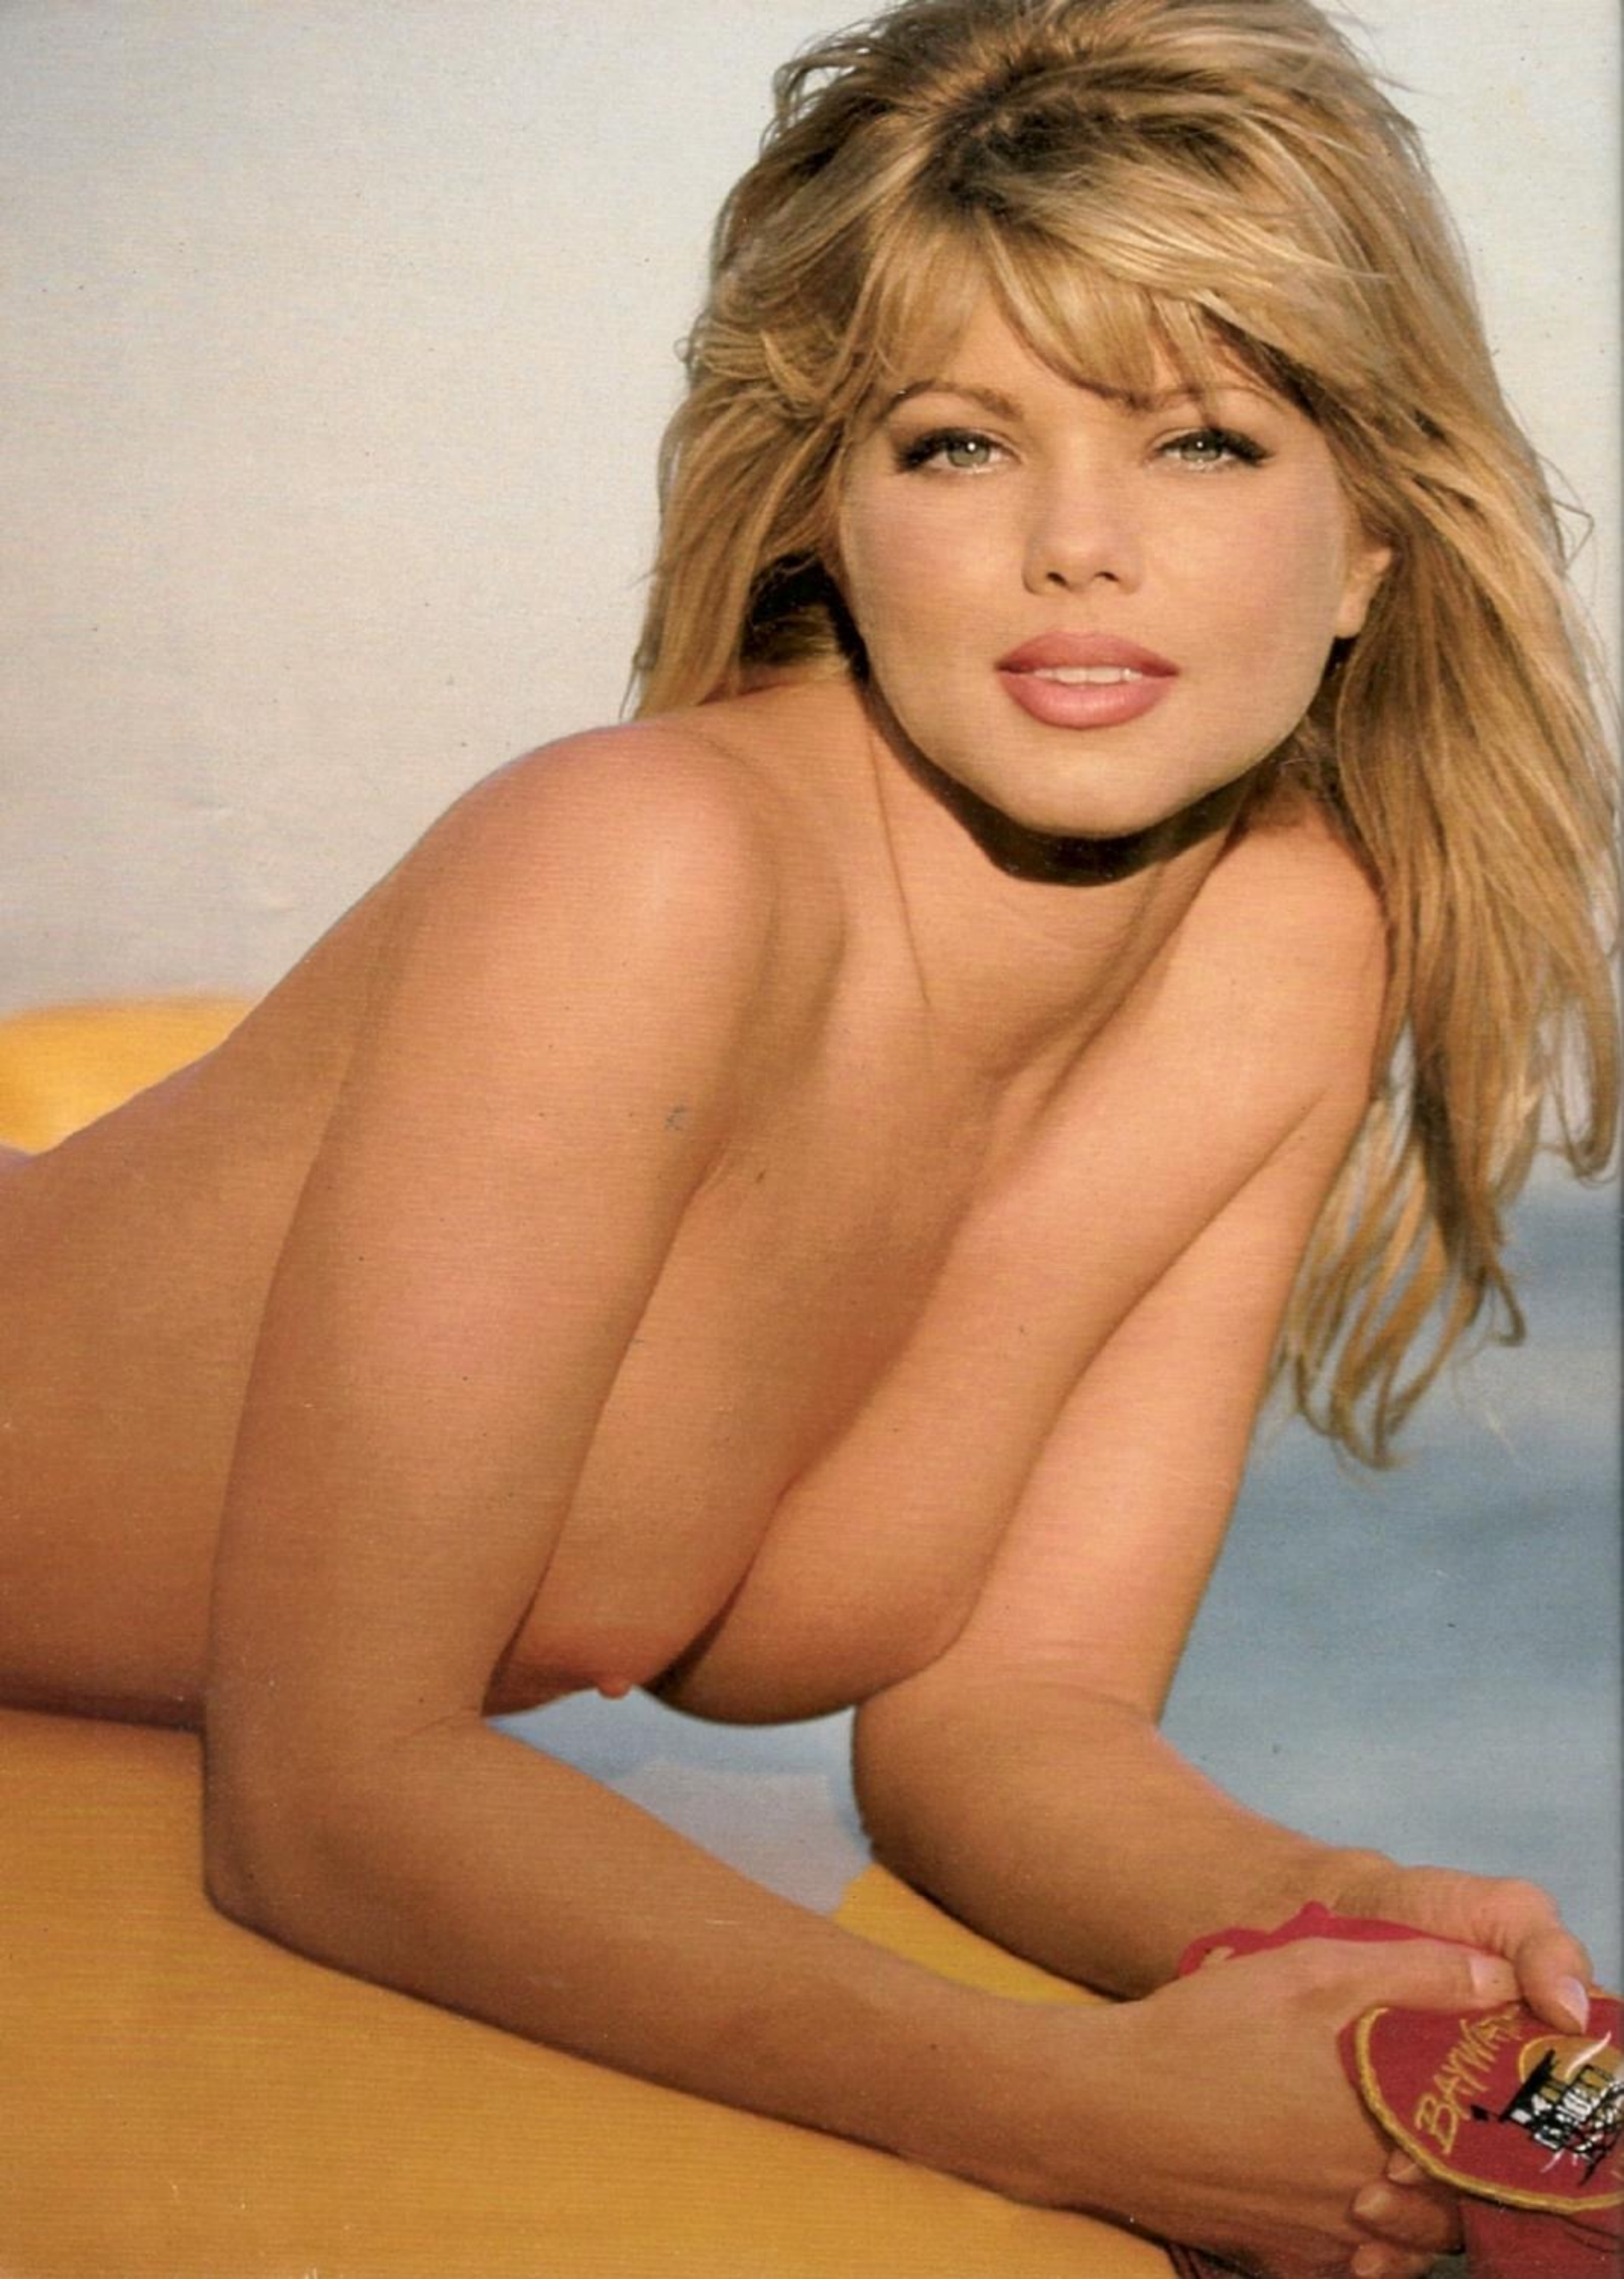

If you believe in the power of a name, it's plain to see that Samantha Fox lives up to hers. Still Britain's favorite pinup queen, Sam's status as a pop star swept her out of Piccadilly and onto the international circuit where she continues to draw record crowds with her funky disco beat. Cheerio!

Donna D'Errico

Boy, do we know how to pick 'em! When she came to our attention last year, Donna D'Errico was running her own Las Vegas limousine service. We wasted no time signing her to do a cover and pictorial for the November *PLAYBOY*. After that sizzling appearance, Donna won a regular role on *Baywatch* and became TV's hottest surf and turf property. With that in mind, deciding who would land on the *Nude Celebrities* cover was really a no-brainer.

Baywatch Babes

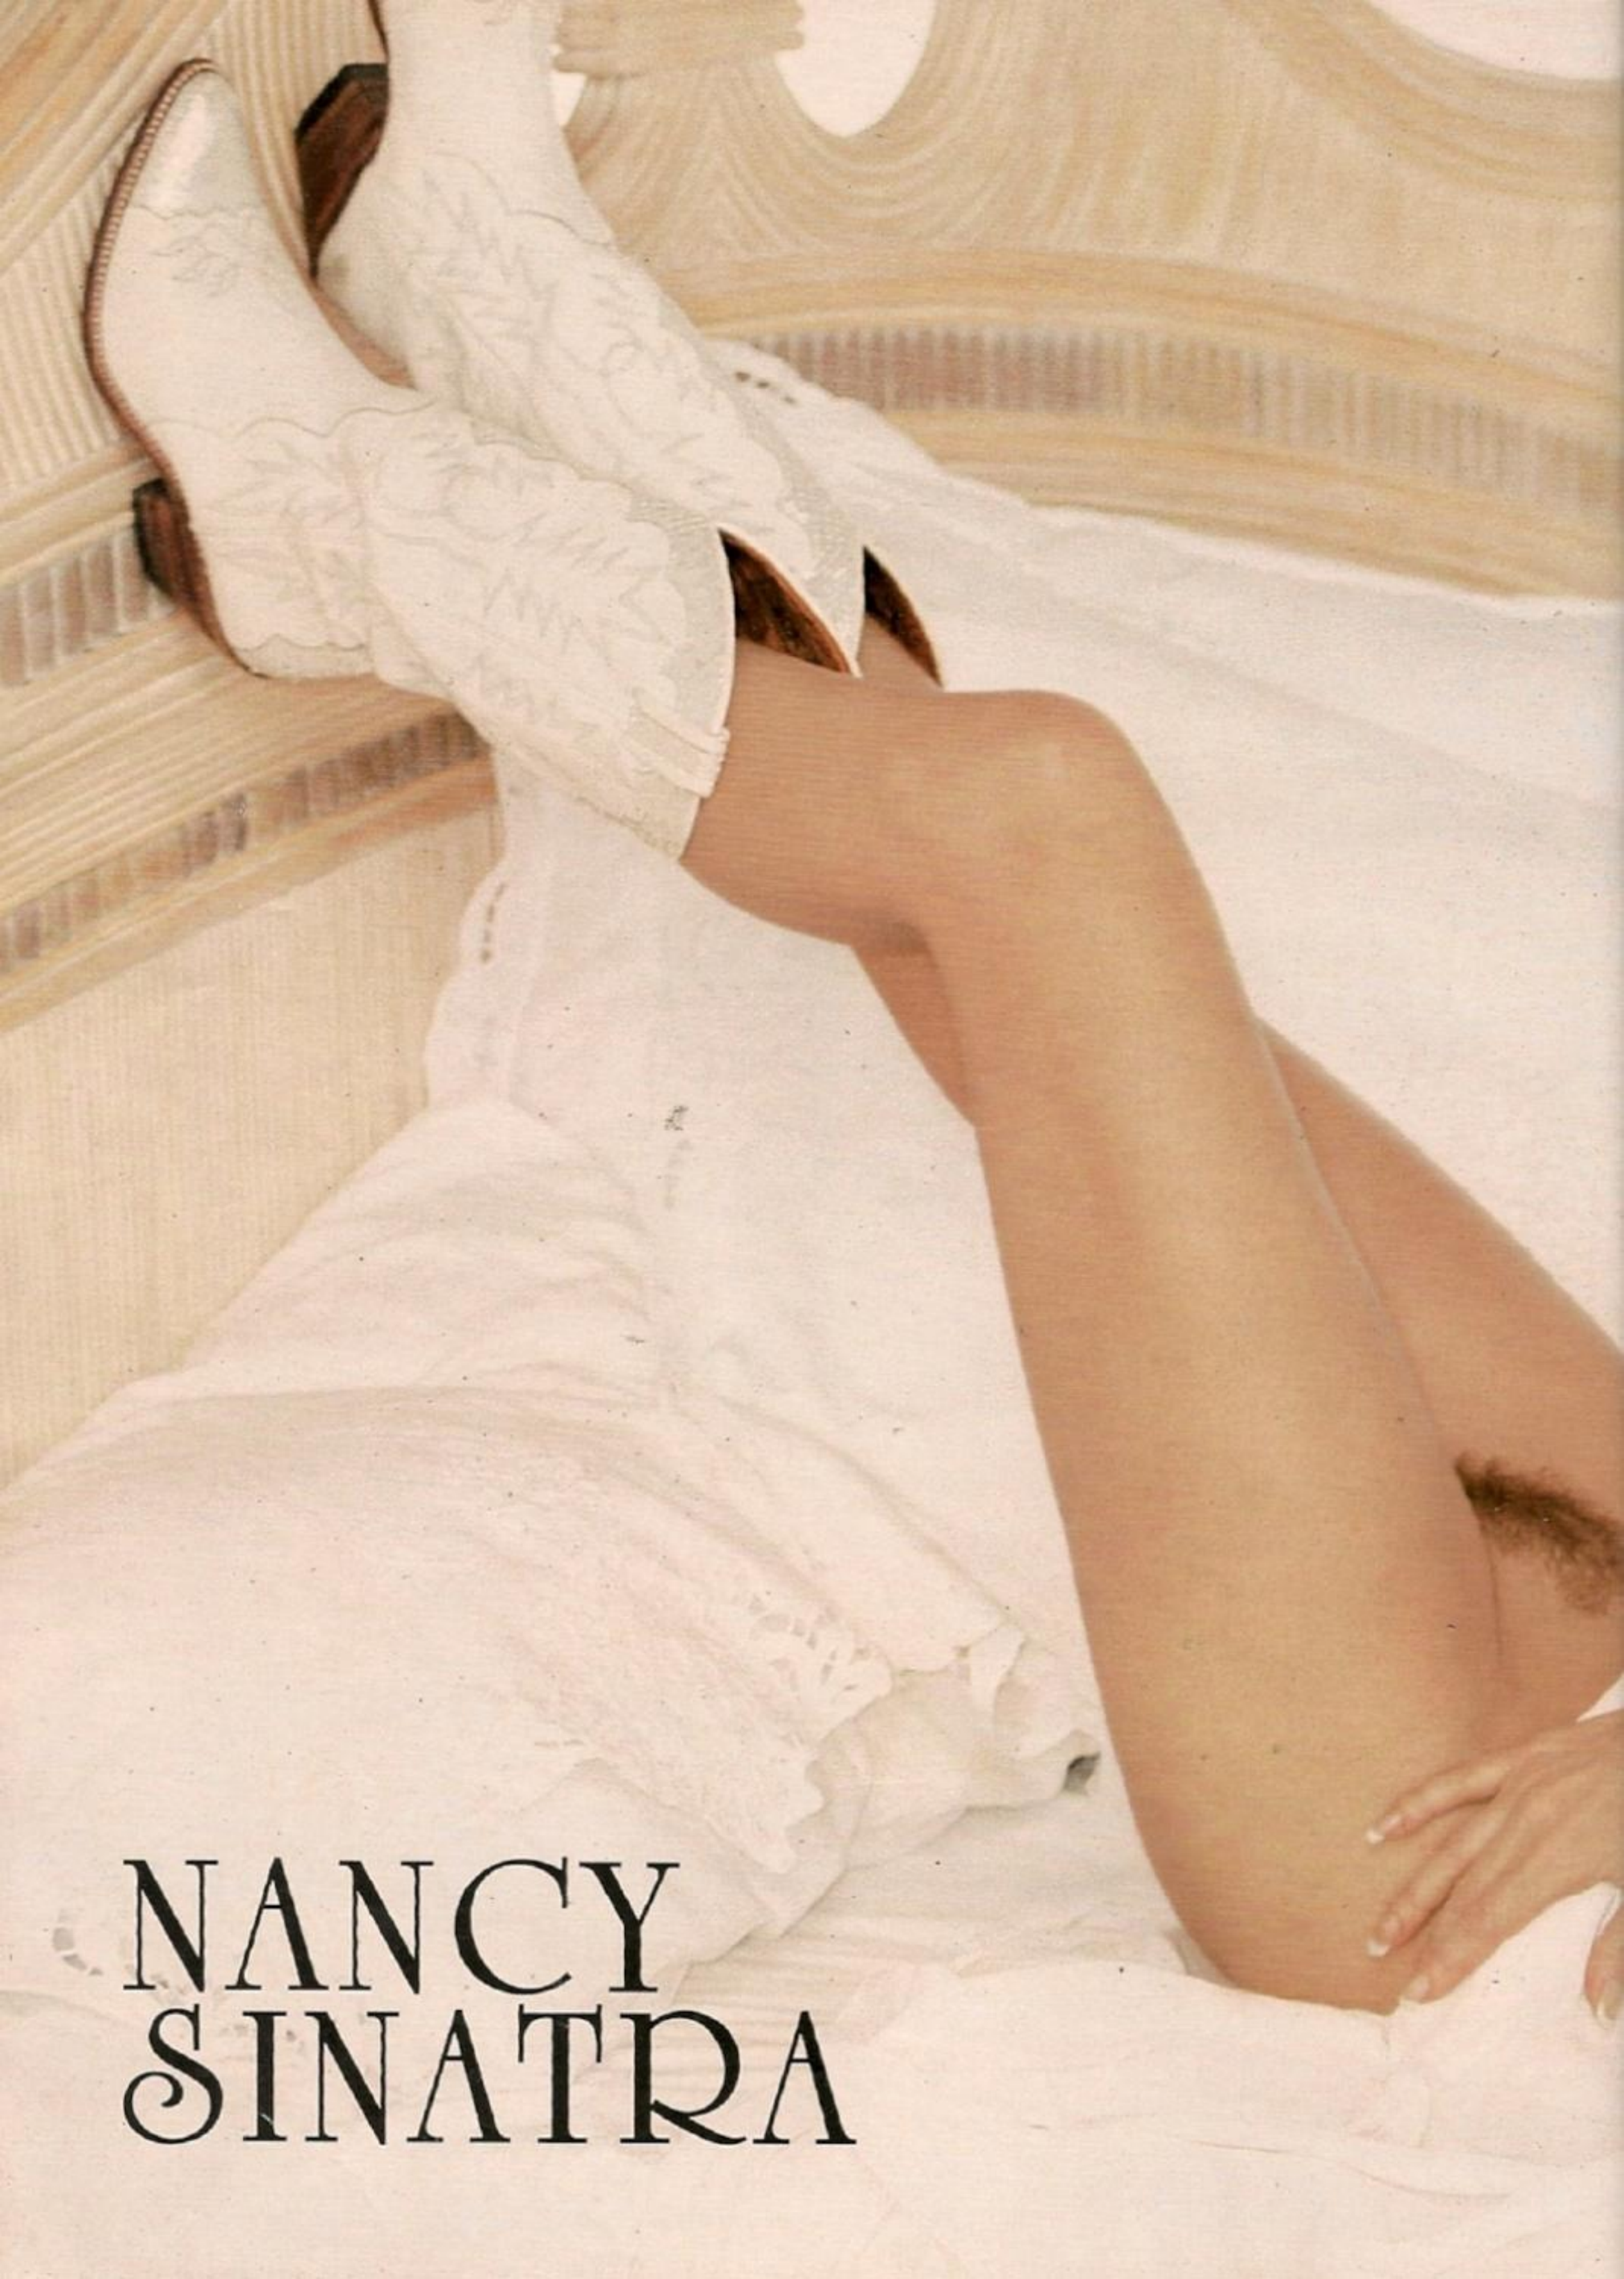

Speaking of *Baywatch*, do we detect a pattern? We've sent more than a dozen beauties off patrolling BW beaches. *Baywatch* alum Erika Eleniak starts the body count. Luscious lifesavers on this page, clockwise from upper left: Barbara Moore, Cheryl Bachman, Shae Marks, Elke Jeinsen, Lisa Marie Scott, Heidi Mark, Gaëlle Comparat, Julie Cialini.

Unable to concentrate on seashells, we continue the *Baywatch* tally, clockwise from upper left: Renee Tenison, Donna Perry, Neriah Davis, Wendy Hamilton, Suzi Simpson, Azalea Davila.

NANCY
SINATRA

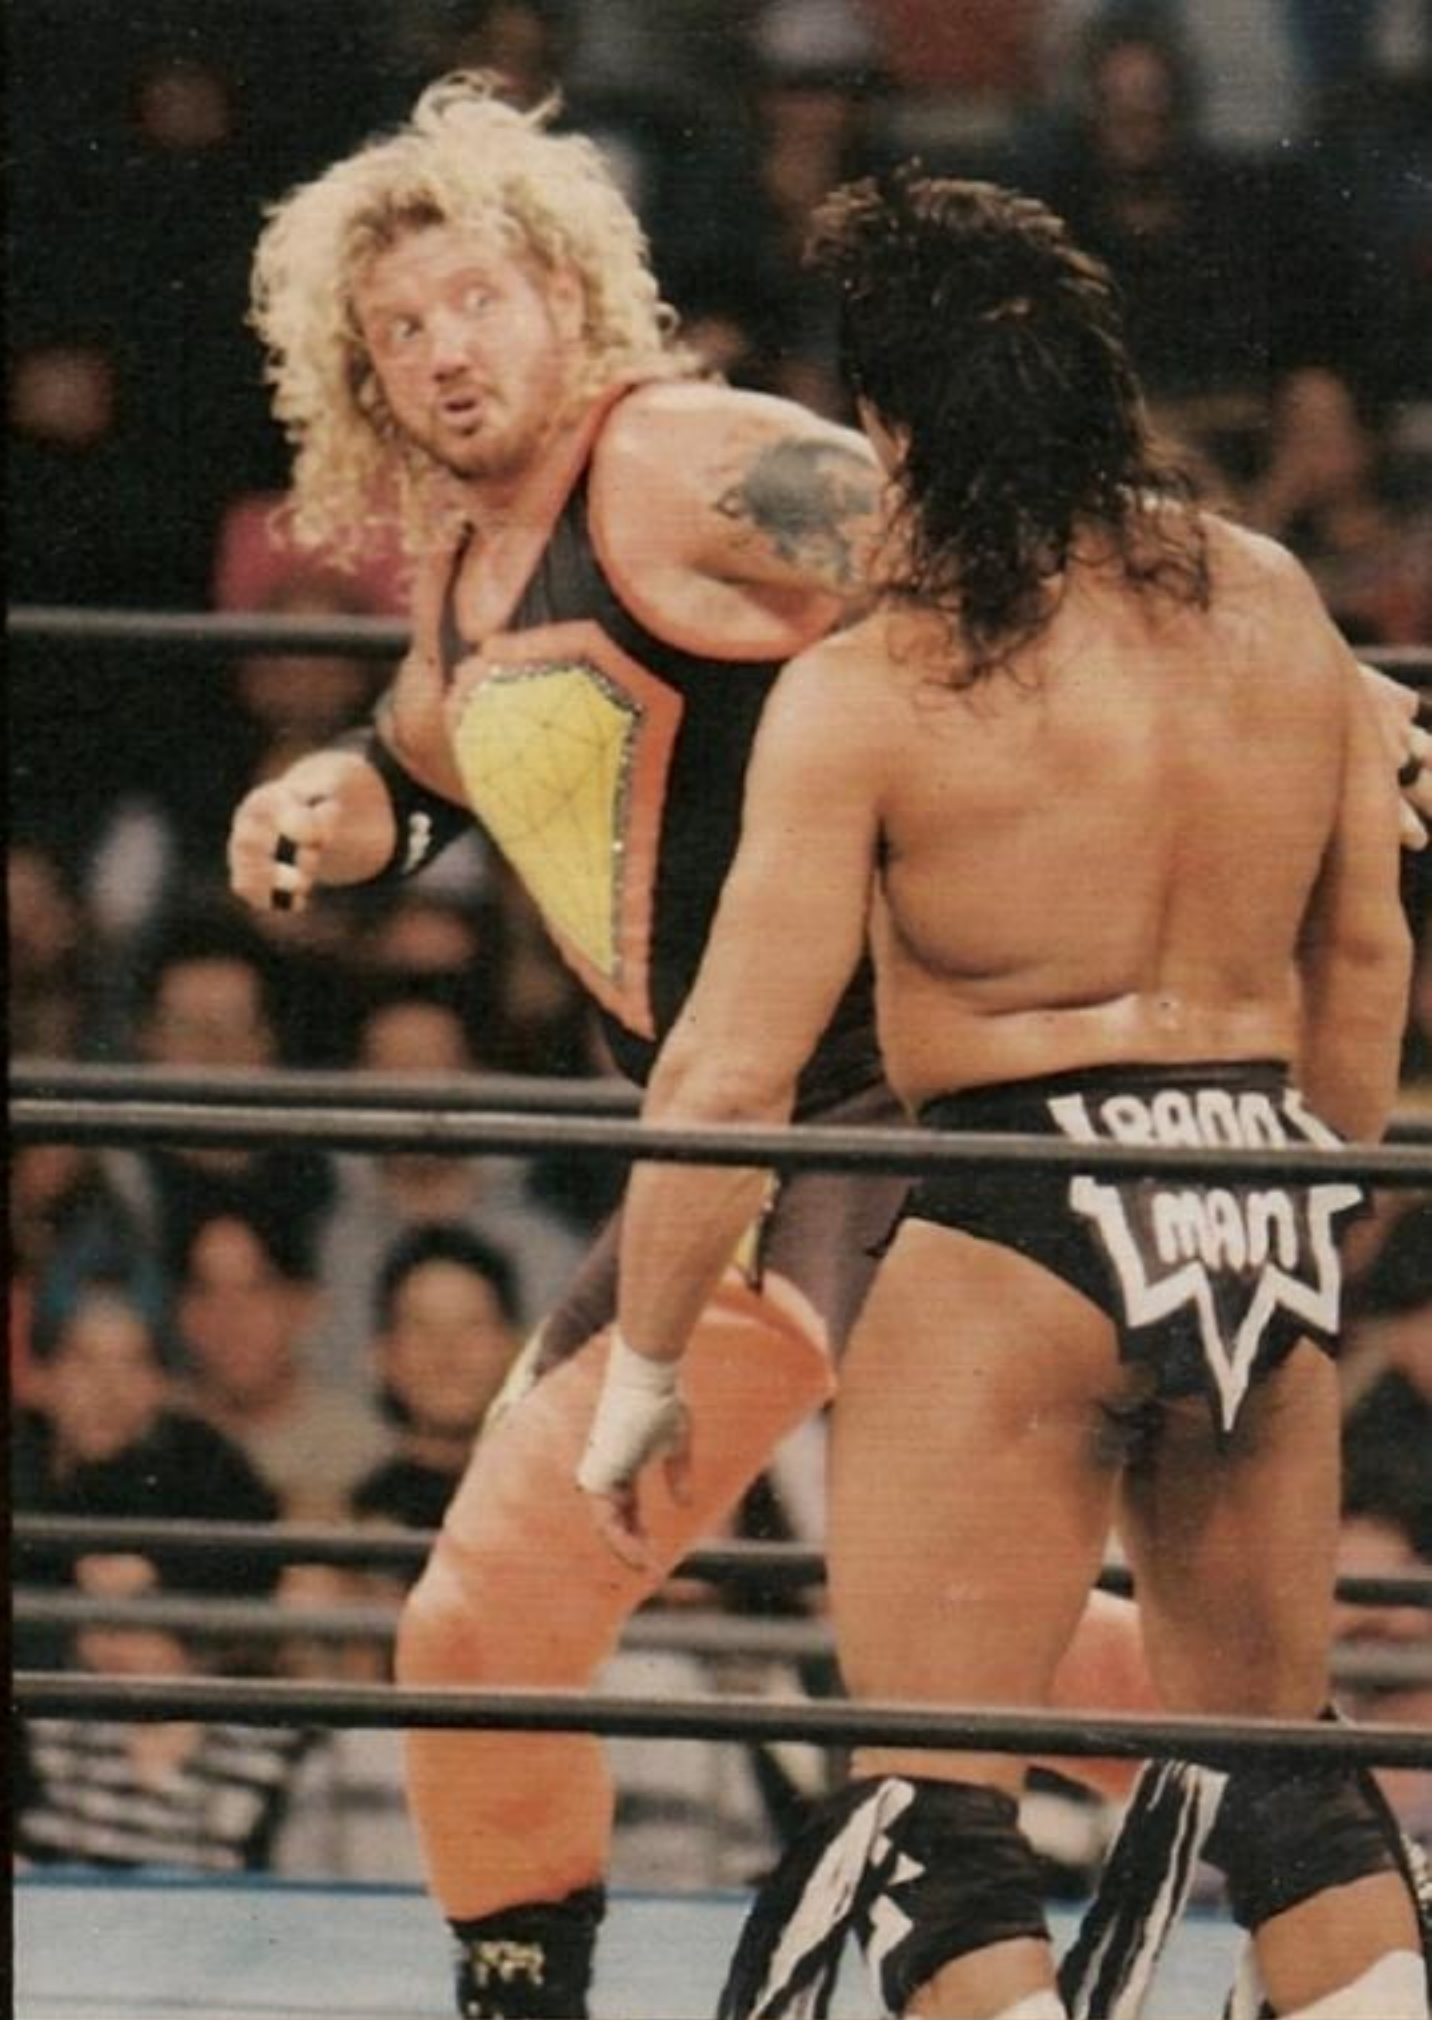

When we hear the name Sinatra, Old Blue Eyes isn't the only one that comes to mind. With her sassy sensuality and a resurrected singing career, Nancy and those infamous boots have walked right back into the spotlight. Undaunted by her maturity, Nancy is philosophical in a way that only a fabulous looking woman can be: "A younger woman brings beautiful breasts to the pictures. I bring OK breasts and lots of personality." While she's right about the personality, we'd rate her stats better than OK.

KIM PAGE AND DIAMOND DALLAS

If you know anything at all about wrestling, you know about Diamond Dallas. A heavyweight on the hit TNT cable show *Nitro*, Dallas is a man who likes to stand alone. Except, of course, when it comes to Kim, his Diamond Doll. The two were recently reunited after a nasty bout that cost Dallas the match and the trophy—Kim—to his archrival, the Booty Man. But that twosome was never meant to be. Dallas, meanwhile, didn't confine his maneuvers to the wrestling ring, wooing his lost love behind the scenes. Kim is now back in his life and they are on fire. There have been some changes, though, since their reunion. Kim is no longer just a cheerleader for her man. A woman of the Nineties, she has started training Dallas and guarantees that her man will "kick more booty than ever before." And whatever happened to the Booty Man? To quote Mae West, Kim's favorite role model: "We were intelligent opposites—I was intelligent, he was the opposite." Let the games begin!

A Georgia native who grew up "voluptuous and sheltered," Pandora's allure goes far beyond her obvious charms. One look into those deep, sea-green eyes and you're hooked. They mesmerized director Russ Meyers (who cast Pandora in her first screen role, *Her Life and Times*) as well as the producers of *Striptease* who gave her a part teaching Demi Moore how to caress and undress for profit and pleasure. Well known in strip club circles in real life, Pandora's own formula for success is to make sure her crowd leaves with "laughter in their hearts and sex on their minds."

KRISTIN HEROLD

Don't look now, but Kristin Herold is one of the hottest celebs in cyberspace. As part of the cast of *The Spot*, the Internet's first and most popular soap opera, Kristin breathes life into her character, Michelle, a twentysomething model. Kristen's most unusual e-mail? A posting from a viewer skeptical of actual audience input who asked her character to pose in a bikini in front of the refrigerator with a strawberry. She did.

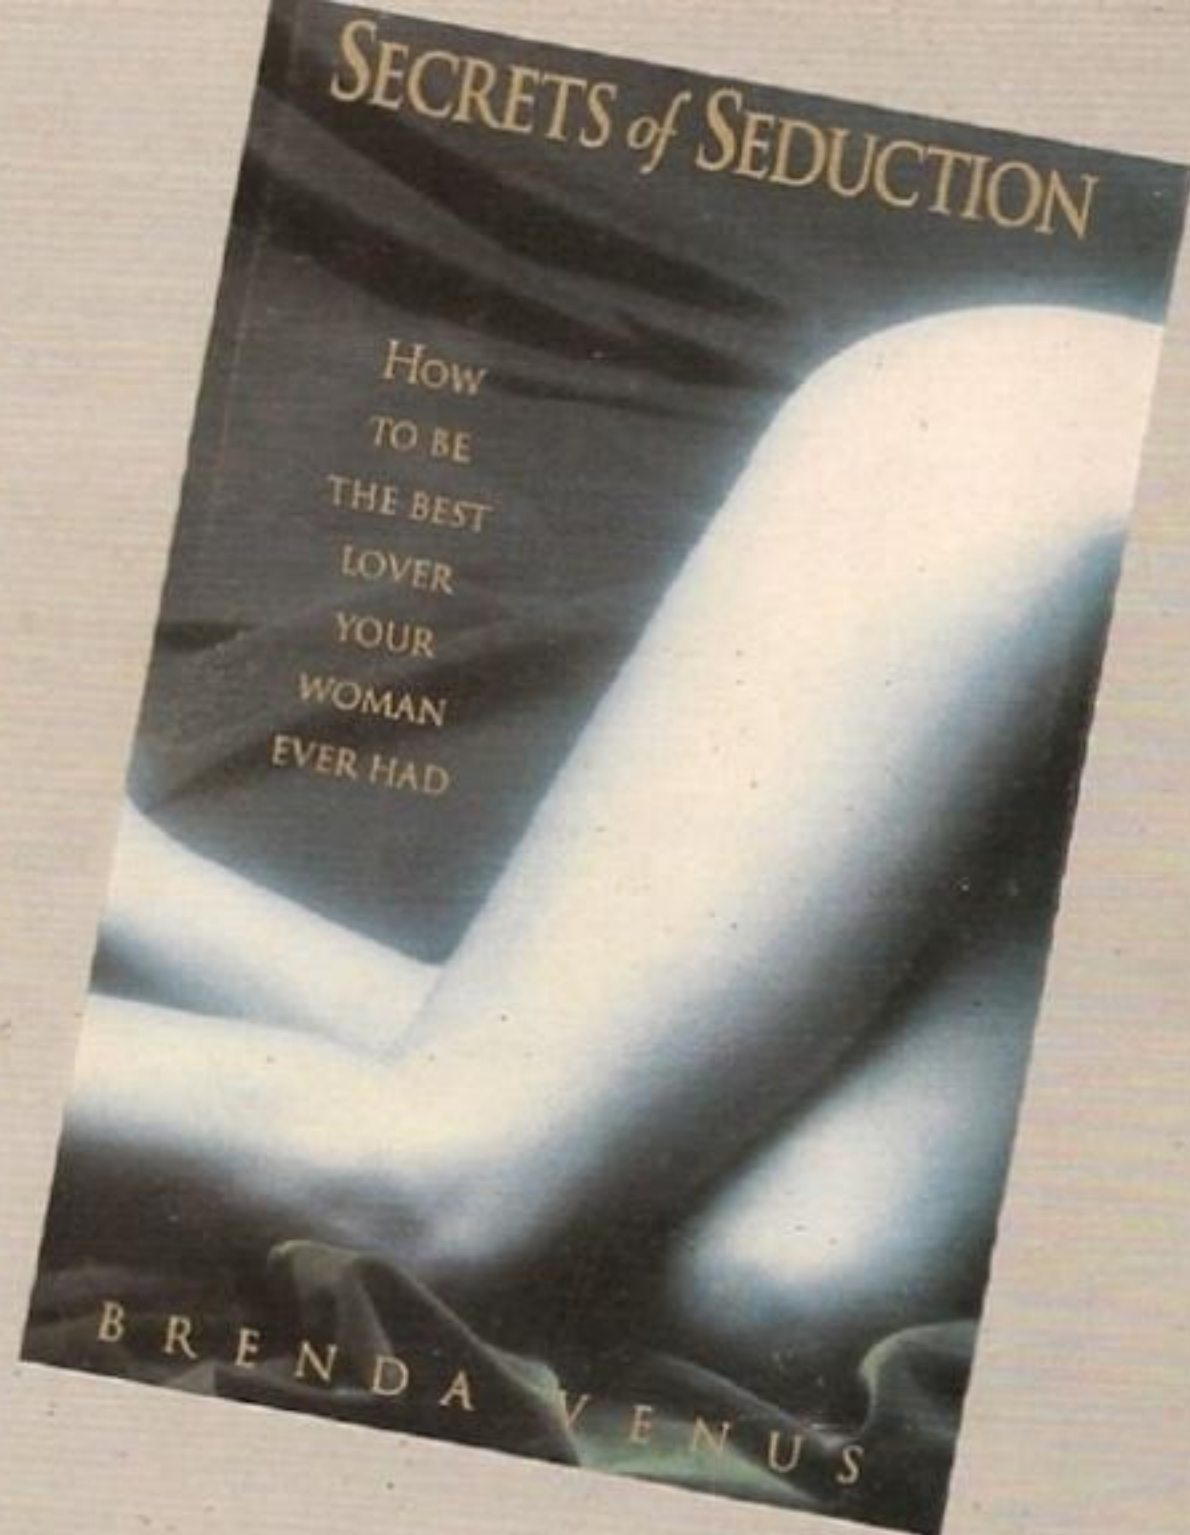

SEXY AUTHORS

Brenda
Venus

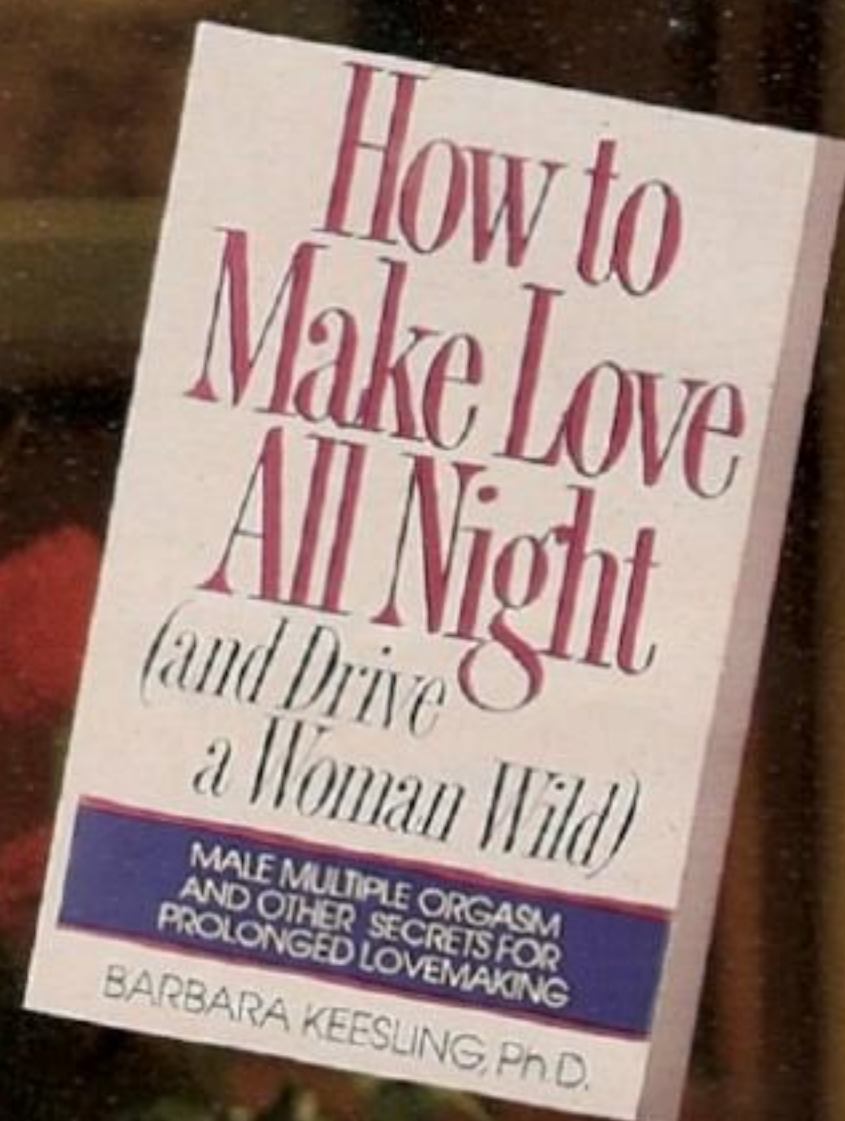

Sensualist Brenda Venus claims the distinction of being the last lover of *Tropic of Capricorn* author Henry Miller. Fortunately, Brenda doesn't face the same censorship issues that Miller did many years ago. Her new book, *Secrets of Seduction*, can be ordered through Playboy Products.

BARBARA KEESLING

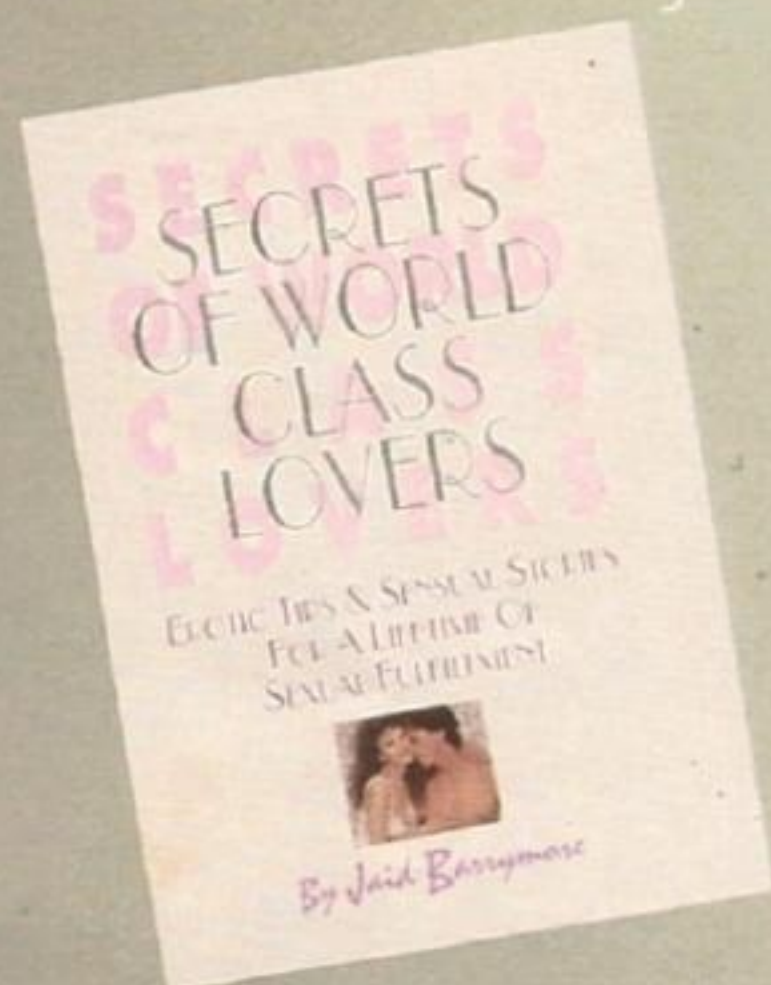

Sex therapist Barbara Keesling earned her Ph.D. in psychology, launched a sex therapy practice, served as a sex surrogate and most recently penned her third sex guide, *How to Make Love All Night (and Drive a Woman Wild)*.

How to

Jaid Barrymore

Being the mom of celebrity bad girl Drew wasn't enough for Jaid, who drew on her own experiences for *Secrets of World Class Lovers*, an erotic manifesto that covers everything from the thrill of public sex to kinky masturbation.

NEWSMAKERS

Camille Donatucci

Camille Donatucci is a familiar face in tabloid stories because of her relationship with *Frasier* star Kelsey Grammer. But she's also near and dear to our hearts for her exceptional appearance on our Readers' Choice BOL cover (standing, far right) and on the pages of the Newsstand Specials. Camille's a model whose demand isn't limited to her professional status. She and Grammer have become engaged. Chin-chin.

THE WORLD OF PLAYBOY

PLAYBOY INTERVIEW: **O.J. SIMPSON**

"I've always had a very simple question: What's bigger, the N.F.L.'s bylaws or the U.S. Constitution? The Constitution says we're all free to choose how and where we want to earn a living."

"That business about leaving Buffalo is behind me now. I intend to finish out my career with the Bills. But I'll tell you this: I think the Bills would have been better off if they'd made a trade for me."

"I never infringed on people. I was just like Clint Eastwood: I only beat up dudes who deserved it... usually on Friday or Saturday night. If there wasn't no fight, it wasn't no weekend."

NEW YORK

BY PAT O'HAIRE
& PHIL ROURA

One can't seem to get enough of the unhappy saga of O.J. and Nicole Simpson. People magazine can't, either. They had the two on their cover last week, and this week's cover story picks it up again. This time, they've talked to model and actress Traci Adell, who claims she got a call from Simpson the night his wife and Ronald Goldman were murdered. Adell, Playboy's centerfold this month, claims she had never spoken to him before, but that they talked for 45 minutes that night, and that he made romantic overtures, spoke of the end of his relationship with his wife and of his need to reset priorities.

A busy Miss July almost met O.J.

Since appearing in Playboy, Traci Adell has found herself the centerfold of attention. Adell, known in her hometown of Memphis by her real name, Traci Sikkink, is Miss July, Playboy's Playmate of the Month. The magazine has been out for a while, so most of Adell's friends have either seen or heard about the photo layout. But others have seen it, too. One of them, she said, was O.J. Simpson, the football player/actor/sportscaster who, after his ex-wife and

Our O.J. Simpson ties go back to his 1976 PLAYBOY Interview. During his heyday, Simpson was a sometime visitor to Playboy's Lake Geneva Resort (pictured above courtside with bunny Tana). In the years since, the Juice has reappeared in mysterious ways. When his legal troubles began, it was Traci Adell, Miss July 1994, who surfaced as the woman Simpson telephoned the night Nicole was killed. Traci, who had never spoken to Simpson before, evidently captivated him as much as she did the rest of us.

TRACY HAMPTON: From the jury to showbiz

After telling Judge Ito, "I can't take it anymore," the TWA flight attendant was dismissed from the jury in May 1995, only to turn up last March posing in Playboy. With the bunny money she earned, she quit her job, began acting classes and is now auditioning for TV and movie roles. Single and 27, Hampton has dated one of the news reporters—she won't identify which one—who interviewed her after her dismissal. She hasn't sought out any of her fellow jurors since O.J.'s acquittal, but as for the question "Did he or didn't he?" she thinks he "probably" did.

TRACI ADELL

A full-page photograph of Tracy Hampton. She is sitting on a dark metal chair with white cushions. She is wearing a white lace top with long sleeves and high heels. She is smiling and looking at the camera. The background is a garden with a stone archway and a large stone urn.

TRACY HAMPTON

It's the tale of two Traceys! Tracy was the Simpson trial juror who was allowed to vacate the jury box when the tension became too much. She posed for us exactly one year ago and loved the experience so much she quit her job as a TWA flight attendant and has started taking acting lessons and auditioning.

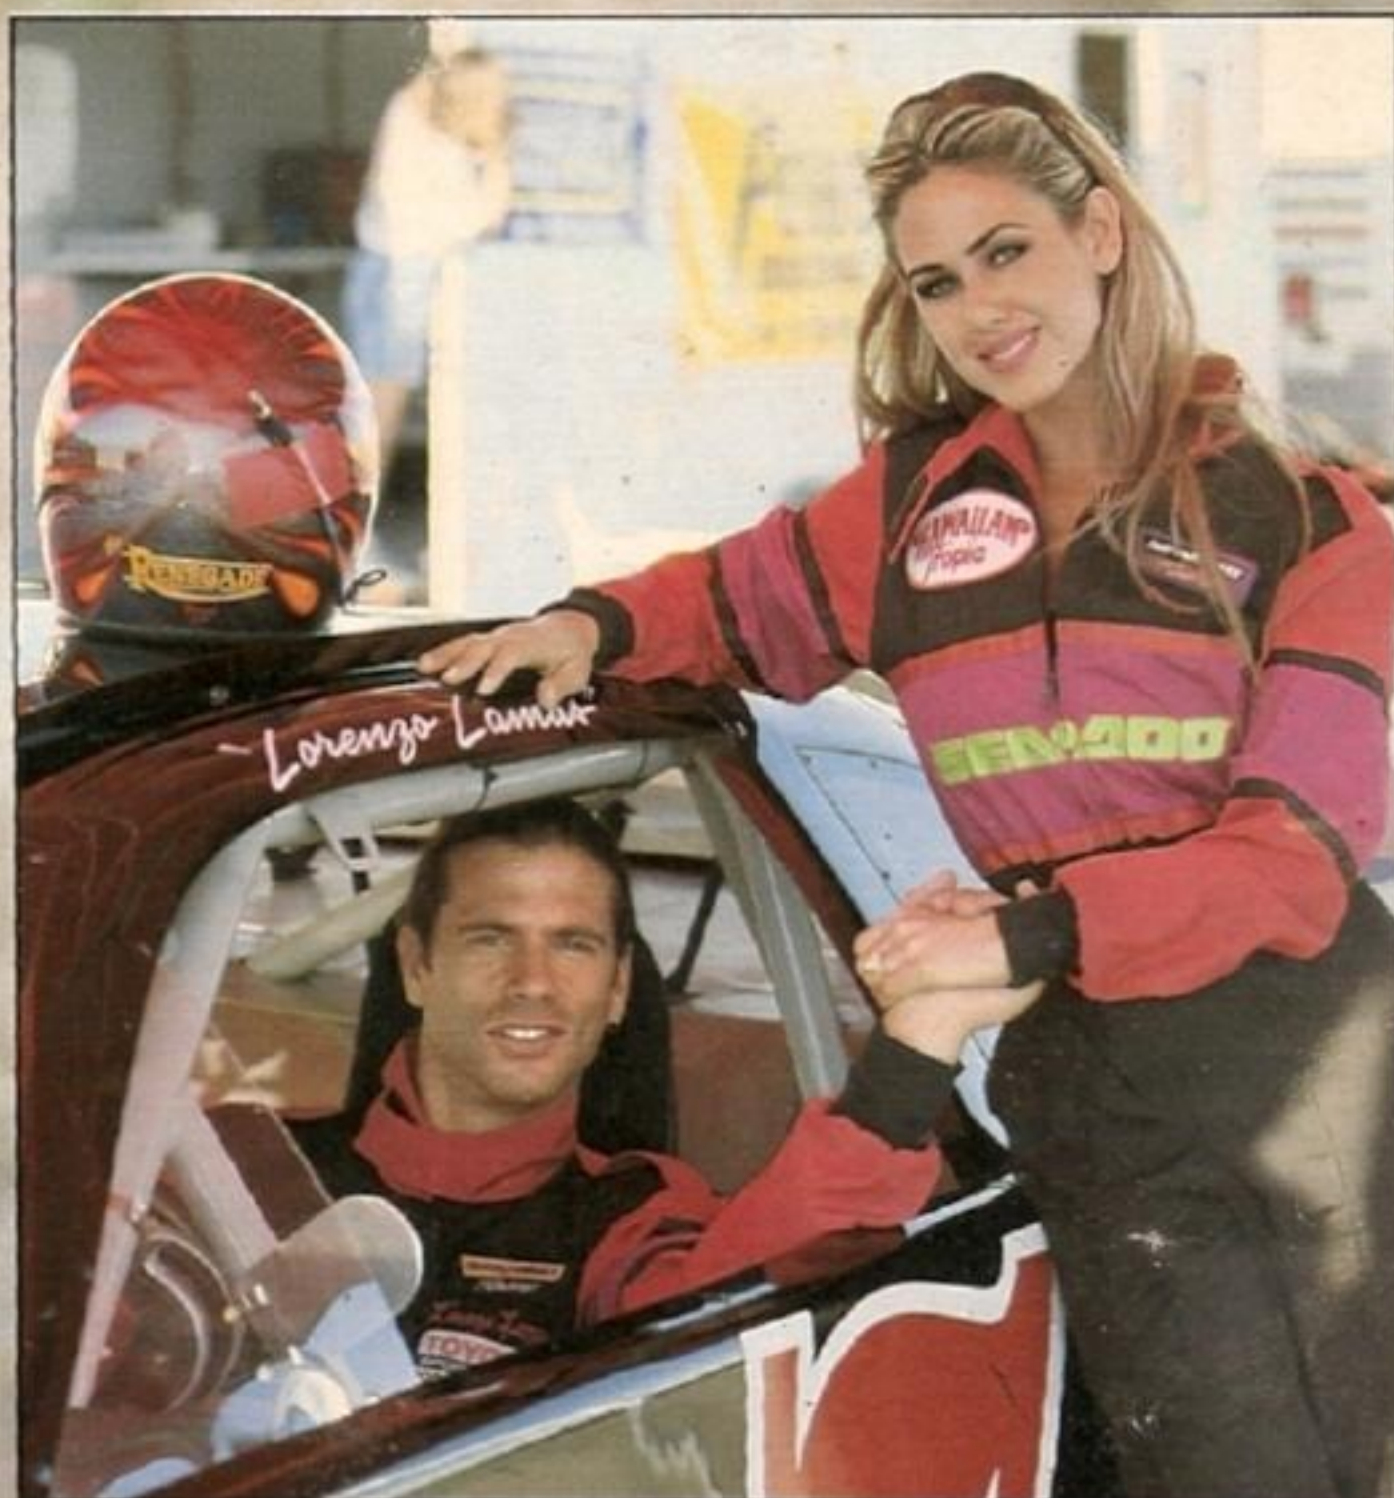

INDIA ALLEN

India always anticipated being surrounded by publicity, but her recent testimony in the Simpson civil trial was a different turn in front of the cameras. Prior to her day in court, this 1988 PMOY spent time modeling in Europe before returning home to claim her place among aspiring starlets.

Shauna Sand

Matrimony agrees with the newlywed Mrs. Lorenzo Lamas. A stunning honey-maple blonde, Shauna has had a successful modeling career since the age of nine. A couple of years ago she ventured into acting, which is how she met her husband. Though she's officially spoken for, we thank the coosome-tuosome for sharing.

NIGHT NCALLS

What do Juli Ashton and Doria have that you want? A chat line that lets you call them live during their titillating cable show, *Night Calls* which airs on the Playboy Channel on the first and third Wednesday of every month. Ranging from topics such as "Sex and Holiday Parties" to the "Gift of Giving," These shows keep the phones ringing. Who can blame callers for trying to get through?

PLAYBOY'S OWN

PATRICIA FORD

A full-page photograph of Patricia Ford. She is standing outdoors, leaning against a metallic structure. She has long, dark, wavy hair and is wearing a red bikini top with a white polka-dot pattern. She is looking directly at the camera with a slight smile. Her left hand is resting on her hip, and her right hand is resting on a blue suitcase in the foreground. The background is slightly out of focus, showing some outdoor equipment and a fence.

Patricia and Lisa have graced the covers of our lingerie books a total of seven times and, judging from our reader response, that choice showed excellent editorial judgment. Patricia, a Hawaii native and May/June BOL cover girl, was crowned Supermodel '96 after a legion of fans voiced their support. She then launched into cyberspace as one of the ten most requested celebrities, alongside Demi, Sharon and Brad. Lisa, our March/April '95 cover girl, has made numerous television appearances and landed roles in three Roger Corman films and two for our own Playboy Channel. With friends like that, these ladies have nowhere to go but up.

LISA BOYLE

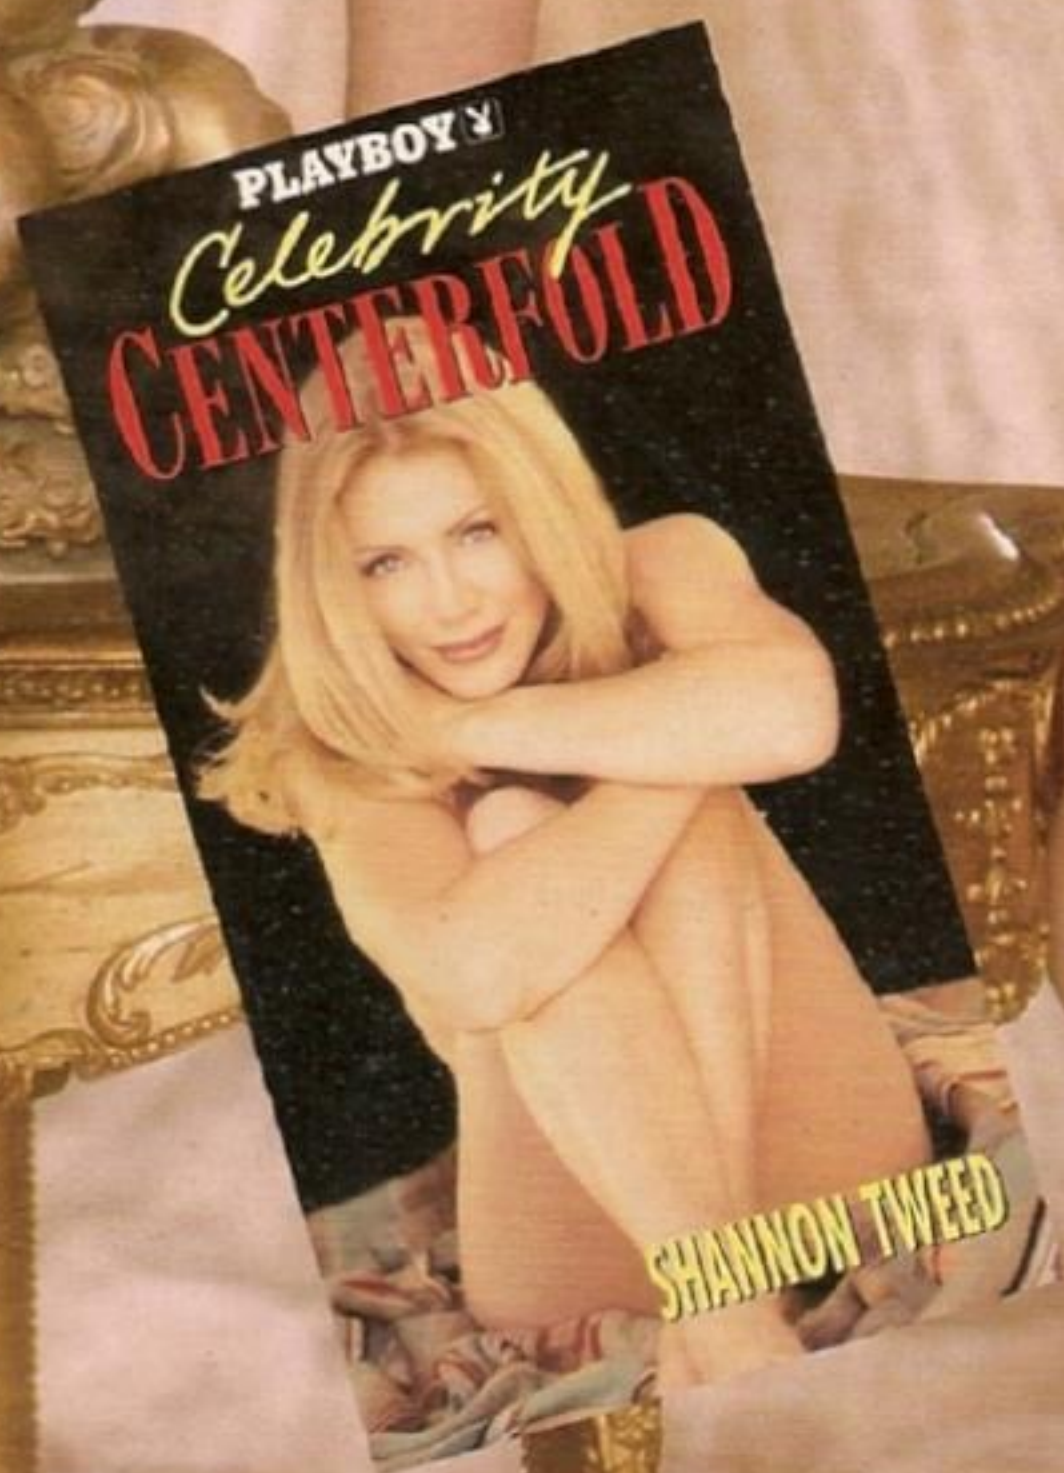

SHANNON TWEED

A full-page photograph of actress Shannon Tweed in a nude pose, leaning back against a white draped background. She has long, wavy blonde hair and is looking over her shoulder at the camera. To her left is a golden statue of a cherub. In the bottom left corner, there is a small inset image of the same actress in a similar pose, framed as a magazine cover.

You know Shannon. She's starred in five television series and over a dozen movies since her reign as PMOY in 1982. Never one to rest on her laurels, when Shannon isn't busy with her family, she's polishing projects like her *Celebrity Centerfold* video to keep her in our hearts and on our minds. Keep it up, Shannon.

We contacted the folks in Playboy's catalog division and they supplied the following info for our overseas fans:

Customers can order Newsstand Specials, back issues of the magazine (and all other Playboy catalog merchandise) through the Playboy Store on Playboy's Internet site, www.playboy.com. Some products cannot be shipped to some countries because of content. We also don't ship at all to some countries, but we handle these on an order-by-order basis.

I went to six bookstores looking for the current NSS and no one sells it. They sell PLAYBOY and BOL but no one seems to sell all the Newsstand Specials. I live in the Detroit area. Where can I purchase them? ...C.D.

If you can't find our products, just e-mail or fax your zip code and we'll send a list of vendors in your area. This saves you time, trouble and lonely evenings.
